“I need to be re-tooled; this isn’t a matter of me just gaining a degree. You kind of get to a point that you don’t know quite as much as you thought you did. I need to get back to some basic stuff and learn new things, too.”

JJ Shimko, D.Min. 2019

Brian Taylor, D.Min. 2019  
Pastor and Church Planter,  
Bethel Cincinnati Church

“By the time I began attending Asbury, I had already spent several years in vocational ministry. I realized I kept bumping up against things that I needed to be better equipped to handle. I wanted to find a place that valued the mission of Christ and rigorous theological training.”

“This is what I needed. I had been pastoring for 15 years leading up to my D.Min. studies at Asbury Seminary. I wasn’t burned out. I wasn’t tired. I was just ready to be re-shaped again.”

**Dr. Ken Nash**, D.Min. Alumnus 2014  
Senior Pastor, Wesleyan Church of Hamburg  
(Hamburg, N.Y.)

Legacy . . .

Asbury Seminary has prepared a fertile space for you to grow, for the sake of others. Girls and boys, men and women in your current ministry context – they are the true recipients of your D.Min. experience. The next generation of Christian leaders and communities in whom you invest – they reflect the life-giving nature of Legacy.

We are ready to join you for a rich season of learning, in the name of the Father, the Son, and the Holy Spirit.
