Statement of Faith
The following is a statement, in short form, of the Wesleyan-Arminian theological doctrines on which Asbury Theological Seminary was founded in 1923.

We believe:

God
In the one God, creator and sustainer of all things, infinite in love, perfect in judgments and unchanging in mercy. God exists eternally in three persons — Father, Son and Holy Spirit;

Scripture
In the divine inspiration, truthfulness and authority of both the Old and New Testaments, the only written Word of God, without error in all it affirms. The Scriptures are the only infallible rule of faith and practice. The Holy Spirit preserves God's Word in the Church today and by it speaks God's truth to peoples of every age;

Humankind
That human beings were created in the image of God. This image was marred in every part through the disobedience of our first parents, and fellowship with God was broken. God, by His prevenient grace, restores moral sensibility to all humankind and enables all to respond to His love and to accept His saving grace, if they will;

Jesus Christ
That Jesus Christ is God's Son incarnate, born of the Virgin Mary. He died for the sins of all, taking on Himself, on behalf of sinful persons, God's judgment upon sin. In His body He rose from the grave and ascended to the right hand of the Father where He intercedes for us;

Holy Spirit
That the Holy Spirit is God present and active in the world. The Holy Spirit was given to the Church in His fullness at Pentecost. By the Spirit, Christ lives in His Church, the gospel is proclaimed and the kingdom of God is manifested in the world;

Justification
That God graciously justifies and regenerates all who trust in Jesus Christ. Believers become children of God and begin to live in holiness through faith in Christ and the sanctifying Spirit;

Entire sanctification
That God calls all believers to entire sanctification in a moment of full surrender and faith subsequent to their new birth in Christ. Through sanctifying grace the Holy Spirit delivers them from all rebellion toward God, and makes possible wholehearted love for God and for others. This grace does not make believers faultless nor prevent the possibility of their falling into sin. They must live daily by faith in the forgiveness and cleansing provided for them in Jesus Christ;

Assurance of believers
That believers are assured that they are children of God by the inward witness of God's Spirit with their spirits, by faith in the gracious promises of God's Word, and by the fruit of the Spirit in their lives;

Christians in society
That Christians are called to live in daily witness to the grace which comes to us in Jesus Christ, to preach the gospel to every person according to the command of Christ, and to declare God's insistence upon righteousness and justice in all relationships and structures of human society;

The Church
That the Church is the people of God composed of all those who believe in Jesus Christ as Savior and Lord. The Church is Christ's body; it is visible in the world wherever believers, in obedience of faith, hear the Word, receive the sacraments, and live as disciples;

Return of Christ
In the personal return of Jesus Christ, in the bodily resurrection of all persons, in final judgment, and in eternal reward and punishment;

God's ultimate victory
In God's ultimate victory over Satan and all evil and the establishment of His perfect kingdom in a new heaven and a new earth.
Ethos Statement
Ethos Statement

Asbury Theological Seminary is a community called to prepare theologically educated, sanctified, Spirit-filled men and women to evangelize and to spread scriptural holiness throughout the world through the love of Jesus Christ, in the power of the Holy Spirit and to the glory of God the Father.

We, the trustees, administration, faculty, staff and students, embrace this global mission as a Wesleyan community that stands within the tradition of Christian orthodoxy and whose life and work is committed to reflecting the truth, beauty and goodness of God's holiness.

We aspire to order our communal and personal life according to the truth and love revealed in Scripture and imparted by the Holy Spirit. We pledge ourselves to go on to the fullness of salvation, seeking through relationships of mutual accountably the maturity of faith, hope, and love that reflects the mind and likeness of Jesus Christ. By the Spirit's power we will bear witness to God's Kingdom, embodying a way of scriptural holiness that unites sound knowledge and vital piety in proclaiming the Gospel and participating in God's mission.

We covenant together to embrace ways of living in keeping with the spirit and intent of the General Rules set forth by John Wesley.

1. By doing no harm and by avoiding evil of every kind.
2. By doing good of every possible sort as far as possible to all people.
3. By practicing the means of grace together.

We are committed to speaking the truth in love, sharing one another's burdens, bearing with one another's weaknesses, and serving one another by the mercy, forgiveness, and reconciliation extended by God. We will practice and nurture speech that is just, charitable, encouraging, and respectful of the standards and policies of Asbury Seminary. Exercising discernment, which is guided by the law of love, we will affirm the breadth of views that bear witness to the richness of the Gospel and the diversity of Christian communities it calls and creates.

With God's help we will exercise the freedom of joyful obedience in being faithful stewards of our minds, bodies, time, gifts, abilities, possessions, and finances as expressions of God's good creation. We will renounce those attitudes and actions that resist the work of the Spirit, divide Christian community, and impede human flourishing. In faithfulness to the Gospel, we will resist the pervasive influence of materialism and commit ourselves to ministry with the poor. We will reject utilitarian methods that commodify the faith and mission of the church according to the values of a consumerist culture. By God's grace, we will nurture redemptive relationships that honor and uphold the dignity of creation, human life, the sanctity of human sexuality, the equality of women and men, the covenant of Christian marriage, and the importance of the family. Soli Deo Gloria!
Application of Wesley’s General Rules as a Covenantal Community

This covenantal ethos orients our community life toward the fullness of holy love as the end of God’s Law, which has been fulfilled in the life and work of Jesus Christ. In light of the truth and goodness of God revealed by Christ, and as interpreted by our Wesleyan heritage, we acknowledge the Christian life cannot be reduced to either right doctrine or morality. Because we have been created and redeemed through Christ in the power of the Spirit, the fullness of salvation consists of the restoration of our being and life in communion with God and others. Intrinsic to our task as a theological Seminary is the cultivation of knowledge, wisdom, and virtue for the practice of faithful obedience that bears fruit in love for God, our neighbors, and the whole creation.

For this reason, concerns related to particular expressions of thought and behavior will be assessed in light of the law of love, which is the source, means, and goal of true freedom in Christ. To this end, we commit ourselves to seeking the Spirit’s wisdom and discernment through the study of Scripture and participation in the means of grace, common worship, and holy conversation. For the common good of the Asbury Seminary community, we offer the following guidance:

• We stand with all Christians, both past and present, against the misuse of all substances that abuse the body, foster addiction, and bring harm to others.
• We covenant with each other to maintain an alcohol, tobacco and drug free environment with respect to all Seminary facilities, events, and activities.
• We affirm the need for responsible care and stewardship of the human body through regular exercise when possible, practicing healthy eating habits, and proper balancing of study, work, rest, and leisure.
• We commit ourselves to the practice of celibacy in singleness and fidelity in Christian marriage, which we affirm as a sacred union between one woman and one man.
• We commit ourselves to helping one another attain the highest standards of sexual morality, and to recognize the devastating personal, social, and global effects of sexual sin against God, the self, and others, but especially society’s most vulnerable members.
• We condemn any form of harassment or abuse.

This ethos assumes the practice of Christian hospitality within a Seminary community that is dependent upon the gift of God’s grace and characterized by relationships of mutual trust and respect. To this end, we acknowledge our constant need for keeping covenant with one another and diligence in speaking the truth in love. We encourage the practice of repentance, confession, pardon, correction, and redemptive discipline when breaches of this covenant may occur.
Mission Statement

Asbury Seminary online courses (ExL):

Wilmore, Kentucky, 40390

Asbury Theological Seminary’s Extended Learning Program (ExL) is an online learning program that has been approved by both the Association of Theological Schools and the Southern Association of Colleges and Schools Commission on Colleges. The learning management system that the students will use to take their online classes is Moodle, one of the industry’s leading systems. Among the different models of online learning, Asbury believes the one that works best for our students is asynchronous, which means that students are not required to be online at a specific time but that they will interact with their fellow students and the faculty within a specific time frame. This model of online learning depends upon high interaction and engagement between faculty and students as well as between each student in a collaborative learning environment.
Since ExL™ classes require file transfers, extensive dialogue with other students and multimedia you will need the following equipment in order to participate:

- Computer with Windows XP or Mac OS X and a CD-Rom drive
- Account with a local Internet Service Provider (ISP)
- Ability to use the internet and email
- DVD player to view DVDs
- High speed internet is preferred

Potential and current students can experience our online classroom by working through the online training module, located at: http://discover.asburyseminary.edu.

For technical and research support, students may contact the Information Commons through the library webpage: http://guides.asburyseminary.edu/home

Asbury Seminary’s online courses service graduate degree programs of the Seminary. By taking Extended Learning, ExL™ (online) courses, students may earn the Certificate in Christian Studies, up to two-thirds of the Master of Divinity degree, or up to one-half of a Master of Arts degree online. The credit hours required on a geophysical campus might include intensive courses or a minimum of one-year of residency.

Understanding the changing needs of students, Asbury Seminary has built flexibility into its academic schedule. Students may choose from two campuses, multiple degree programs and various course-offering timetables to fulfill their academic goals. Working with an academic advisor, students move freely within the Asbury Seminary infrastructure to complete their traditional degrees utilizing a blended course plan.

Block scheduling at the Kentucky and Florida Dunnam campuses maximizes the calendar and minimizes the commute. Intensive classes lasting one week, or two or three weekends, are also available year round. Previous catalogs outlined a specific set of courses that were designed to accommodate the distant student. That “program” was called the “Intensive Course Opportunities” (distance learning courses) and has now outlasted its demand. Students who have planned to use those “Intensive Course Opportunities” may still take equivalent courses under a ‘teach-out’ plan that provides the course on the Orlando and/or Wilmore campus(es) or facilitates an independent study if such is not available. The ‘teach-out’ ends at the beginning of the 2015-2016 academic year. After that time, students will need to arrange independent studies, as necessary.

Please see refund and complaint policies for individual states in the State Policy section of the Academic Catalog.

Many of the buildings are open later than this for student activities and classes. The phone is always answered 24 hours a day. The number for the Kentucky Campus is 859.858.3581.

Florida Dunnam Campus

The main offices on the Florida Dunnam Campus are open from 8 a.m. till 5 p.m. The building is open occasionally at other times for classes and student activities. The number for the Florida Dunnam Campus is 407.482.7500.

Communications

Email

Each student will receive an Asbury Seminary Google Apps for Education account that is accessible via the “Email” tab in oneATS. It is important for students to check this email account regularly because this will be the main avenue by which Asbury Seminary will communicate with students. If you have problems accessing your Seminary Google Apps account, please contact Information Commons at 800.2.ASBURY or 859.858.2233.

oneATS

Asbury Seminary’s portal is called oneATS. This portal is used for announcements, community forums, emergency notifications and internal web pages. Students should check this portal regularly for updates and to access information from various departments: Bookstore, Financial Aid, Registrar, Library, Career Services, etc.

Online Courses (ExL)

The Online Courses area is Asbury Seminary’s collaborative learning environment where online courses are taught and course content is delivered. Students who take ExL courses must access their classes through this system. Most on-campus professors will also upload content or deliver assignments via Online Courses. Finally, through this environment all students have access to the Christian Formation Program “portfolio” that contains information and related assignments that contribute to their Christian Formation Plan.

Asbury Information System (AIS)

The official student record is maintained in AIS and students must access this area to tend to administrative and academic functions. Through AIS students can pay bills, sign up for insurance and meal plans, accept/decline financial aid, register for classes, manage their password and biographical information, and more. Students will access this area frequently during registration periods and around the start of the term; however, they should occasionally check this area because many functions have strict deadlines that need attention.

This Week At Asbury and This Week At Asbury Orlando

This Week At Asbury is an unofficial blog of Asbury Theological Seminary that shares updates and announcements from around the community about upcoming events, opportunities for students, and chapel services. This Week At Asbury is delivered via web page and a weekly email.
Business Office

Office Hours
Kentucky:
September through May: Monday – Friday 8:15am-4:15pm (closed Tuesdays and Thursdays 11am-Noon for chapel)

Billing Information
Students are billed for tuition and other fees on the day after the add/drop date of each semester for which he/she is enrolled. The add/drop date is typically the Friday of the first week of classes. For fall and spring semesters there is an extended payment plan so payments can be spread equally over four months. For short-term classes, such as the January term, payments are due by the end of the term.
Due dates are posted for students on oneATS under ATS Info and Asbury Community, and Florida community in the form of a Billing Information sheet. This sheet is also available in the Business Office. Student bills are available online once you are registered for that term. To view your bill, go to http://asbury.to/billpay. It is important to note these dates in order to avoid fees and consequences of late payments.
For more information, see the Financial Information section in the Academic Catalog. The catalog is available online.

Payment of Fees
Payment of all charges on a student’s account is due and payable two weeks after the last day of the add/drop period. (For the specific due date each session, please refer to the Seminary’s academic calendar)

Asbury Theological Seminary now uses Higher One, Inc. for all of its payment processing for student accounts. Students will be able to view their current bill on Higher One’s payment website. (Links to Higher One’s payment website can be found on the student intranet/portal website.) Any student account payments made using a credit or debit card will also include the credit card processing fee charged for such payments (currently 2.75% of the payment amount). Student account payments made by check or ACH do not incur a fee.

During the fall and spring sessions, students may pay their account balance in four equal installments through Higher One’s “SmartPay” system. This Full Service Payment Plan (FSPP) is interest free as long as payments are made in a timely fashion, but there is a $35 service/enrollment fee paid to HigherOne for the FSPP. All student accounts not paid in full by the due date indicated above will automatically be placed on the FSPP. A late fee will be charged for any late installment payments. (Please carefully review the HigherOne SmartPay materials to fully understand all potential fees.) All student account payments made using the FSPP are subject to the fees noted above.
Payments are due in the Business Office by 4 p.m. on each due date. A late fee is charged for all past-due payments. If payment has been made but is less than the amount due, a late fee is assessed on the amount unpaid.

Overdue Account Policy
1. Students delinquent after the final payment is due will not have grades for courses taken in that semester placed on their transcript, will be removed from any pre-registration they may have for the next semester, and will not be allowed to register for additional classes until their account is cleared. Once the account is cleared, the grades submitted for the courses taken during the semester of delinquency will be placed on the transcript and registration for the next semester will be permitted. Please note that once a delinquent balance is paid that registration must be completed within the normal registration schedule (before the add/drop period ends), and that student enrollment will be subject to class availability.

2. Students with past due Asbury Seminary short-term student loans are not allowed to finalize registration for the following term until their account is cleared.

3. Students owing a balance on their account at the end of a term are dropped from any subsequent classes for which they have pre-registered. Upon payment in full, students may register within the normal registration schedule, subject to course availability.
4. Students who have a balance due after final payments are due will have a hold placed on their transcripts and diplomas, and are not allowed to register for the next term.

- A phone call is made or letter sent after 60 days advising the student to make payment.
- 90 days after the term ends, a letter is sent advising the student that his or her account is being turned over to a collection agency.
- 180 days after the semester ends, the past-due accounts of students who have not made satisfactory re-payment arrangements are turned over to a professional collection agency, where their past-due amounts are reported to the national reporting agencies.
- After the collection agency has exhausted its efforts, Asbury Seminary authorizes the collection agency to litigate against the student, and the receivable is written off as a bad debt.

Asbury Inn
The Rosa Foster Beeson Manor was constructed in 1990 in conjunction with a gift from Mr. Ralph Waldo Beeson to serve as a campus guesthouse on the Kentucky Campus. In October 2006 it was recommissioned as The Rosa Foster Asbury Inn (Rosa Foster was Mr. Beeson’s mother) to serve as a public hotel serving guests not only of the Seminary, but of the broader Wilmore community. During this time, it has achieved AAA approval and serves as Jessamine County’s only lodging facility with this designation. With approximately 30 guest units (including three townhouses), the Inn provides comfortable and affordable lodging. Complimentary continental breakfast is included for all overnight guests and amenities such as free Wi-Fi and a business center help guests stay connected while away from home. Reservation requests may be made up to six months in advance by calling 859.858.2156 or by logging on to asburyinn.com. Discounted rates are available most nights for friends and family of Asbury Seminary students.

Dress Code
With the diversity of backgrounds and lifestyles represented in the Seminary community, the question of appropriate dress is raised periodically. Generally, the standards of “good taste” and “appropriate dress for the appropriate occasion” are adequate descriptions. The specific standard determined by the administration is that gym shorts, swimsuits and bare feet are not appropriate for the cafeteria, library, chapel and classrooms.

Emergency and Safety
The Asbury Theological Seminary Emergency Information Handbook, posted on oneATS under “Resources” is provided by the Physical Plant administration to assist Seminary community members in reporting and responding to emergencies. If a situation requires the response of Asbury Theological Seminary, local police, fire departments or other emergency personnel, follow the guidelines outlined in this document to alert the proper authorities.

Anyone parking on campus property is encouraged to keep his/her vehicles locked. Communicate any security concerns or potential problems to the Director of Administration—Physical Plant, 859.858.2298. On the Florida campus please direct concerns to the Director of Operations at 407.482.7555. In accordance with federal regulations, information on campus crime statistics is distributed to all enrolled students the first week of fall classes. The Seminary offers an Emergency Alert Response System (EARS) for students, faculty, and staff to be notified through text messages, email and voice calls in the event of an emergency. The alert system notifies subscribers in emergency situations, dangerous weather conditions, school closings, and other important announcements. If you would like to subscribe please follow this link, https://one.asburyseminary.edu/alert, on oneATs.

Threats of Violence
Threats of violence to others or oneself will be responded to immediately and with a no-tolerance policy. Any threat to the personal safety of another community member will be turned over to the local police immediately. Threats to oneself will result in a student being withdrawn from residence hall (if applicable) and required to seek treatment or to leave the Seminary community for a time of treatment and healing. The student will be re-admitted to the residence hall upon the recommendation of a licensed counselor or mental health official.
In a situation where the health or well-being of a member of the Seminary community is threatened, any member of the Department of Student Services or any other Seminary officer may be contacted. The officer is authorized to take such action as is necessary and appropriate to ensure the well-being of the Seminary community. Action may include notifying local authorities, engaging police or rescue teams and notification of Seminary administration.

When disciplinary action is deemed necessary, such action will take effect immediately and will be communicated to the student personally and in writing. Notice of a disciplinary action related to a threat of violence (as defined in the campus appendices) will be given to the Student Services Team by the Vice President of Enrollment Management on the Kentucky Campus and the Vice President of the Florida Dunnam Campus. Should a student wish to appeal, such appeal will be made in writing to the campus specific vice president within 10 business days of notice of disciplinary action. The appeal will be heard by an appeals committee formed by the campus specific vice president in charge of the process. A decision will be relayed to the student in a timely manner. For further information on violent emergencies or safety regulations, please see Asbury Theological Seminary Emergency Information Handbook on oneATS at http://www.asburyseminary.edu/cms.files/media/document/current/EmergencyHandbook2007.pdf

Missing Students Policy

If a member of the Asbury Theological Seminary community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify Rob Holifield, Director of Student Services at 859.858.2093 or rob.holifield@asburyseminary.edu; Kevin Bish, Vice President for Enrollment and Student Services at 859.858.2273 or kevin.bish@asburyseminary.edu; or the Residential Assistant on call at (859) 488-1287. Student Services will generate a missing person report and initiate an investigation.

In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Student Services in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Student Services will notify that individual no later than 24 hours after the student is determined to be missing. A student who wishes to identify a confidential contact can do so through the Asbury Seminary Housing website. A student's confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of the investigation.

After Student Services investigates a missing person report and determines that the student has been missing for 24 hours, it will notify Wilmore Police Department and the student’s emergency contact no later than 24 hours after the student is determined to be missing.
Chapel
Chapel

Florida Dunnam Campus

Harold Best, in his book *Unceasing Worship*, suggests that the life of a disciple of Jesus Christ is one that is steeped in worship and praise. Corporate worship then, is simply a continuation of this ongoing activity in the company of our brothers and sisters, where the power of community and mutual expressions of worship combine into a transformational experience. On the Florida Dunnam Campus, chapel services are held on Tuesday and Thursday afternoons at 1 p.m. in the Harper Room and provide the opportunity for the larger community to gather for creative and inspiring worship. Students, faculty and staff, along with guest speakers from the larger faith community provide substance and shape to worship, which engages and honors a variety of traditions and styles. Other worship services are held at selected times Monday through Saturday. In addition, an Episcopalian service of Morning and Evening Prayer is held on both Tuesdays and Thursdays, with occasional weekend services. All students, faculty, staff and guests are encouraged and invited to participate in the Asbury Seminary Florida Dunnam Campus worship experience.

Kentucky Campus

Worship is the most important work in all the world. We are rehearsing the gospel, declaring the glories of God, gathering up the whole creation as an offering and making intercession for the nations. In worship we confess our sins, both personal and corporate, drink from the cup of forgiveness and feast on the bread of life. Our worship work does not prepare for service in God’s Kingdom, it declares and demonstrates the Kingdom itself. Our worship, which is to say our work, resides in inhabiting the Story of God to the glory of the Father and the Son and the Holy Spirit in the servant ministry of reconciliation.

Chapel is a hallmark of our life together at Asbury Seminary. Chapel gathers on Tuesday, Wednesday and Thursday at 11 a.m. in Estes Chapel. Preachers, teachers and world leaders add to the richness of these experiences. Eucharist is served each weekday except for Wednesdays in the Richard Allen Chapel. A midweek Eucharist is celebrated during each Wednesday chapel service. During intensive semesters, chapel occurs at 11:30 a.m. on Wednesdays in Estes Chapel. There are a variety of opportunities for students to be meaningfully engaged in chapel worship: Singing Seminarians (chapel choir), communion servers, musicians, liturgists, chapel team, etc.

Extended Learning

Spiritual nourishment is important for all of our students. Online (ExL) course students are encouraged to connect with a local congregation in meaningful ways, as well as to take advantage of the online chapel. The Kentucky chapel meets on Tuesdays, Wednesdays and Thursdays at 11 a.m. in Estes Chapel and the Florida Dunnam chapel meets Tuesdays and Thursdays at 1 p.m. Both campuses make chapel services available as downloadable podcasts.

Preachers, teachers and church leaders from around the world add a variety of learning and worshiping experiences.

Both campuses will host a minimum of two Experience Asbury events each year. Dates and details can be found on asburyseminary.edu under “Admissions.”

Encourage your friends to explore Asbury Seminary through an Experience Asbury event! Online registration opens at least two months prior to the event. Early registration is encouraged. For questions, please contact Admissions at visit.asbury@asburyseminary.edu or call 859.858.2211.

We are unable to make our campus visits and preview events successful without the many amazing current students and families on our campuses. Are YOU interested in teaming with Admissions to make prospective student visits and events a success? Please contact visit.asbury@asburyseminary.edu if you are interested in volunteering.
Student Services
Student Services

The Office of Student Services is here to support students throughout their experience at Asbury Theological Seminary in non-academic related matters. The office welcomes students and provides the information they will need to start successfully. Services and other informative pieces are offered that aid students to graduate with a degree that is in their line with their calling, gifts, and passions. The desire is to provide support to students as they navigate through the complexities of an educational journey, while we engage students in opportunities that allow God to work an act of preparatory grace in their lives.

New Student Orientation

New students and their families are assimilated into the Seminary experience through a comprehensive orientation at the start of each semester. It is expected that each student who will be taking classes on a physical campus will attend New Student Orientation (NSO) at the beginning of either the fall or spring semester. Each geophysical campus will offer an NSO at the beginning of the fall and spring semesters. Online students are welcome to attend NSO at either campus. During this event, a new student will learn important campus information, as well as the opportunities for spiritual formation available along the Asbury Seminary journey. NSO provides a unique opportunity for belonging that is crucial to a successful Seminary experience.

Detailed campus-specific NSO information can be found on oneATS (click “Resources” and then the “New Student” link).

Student Health Insurance

All students who have designated Florida Dunnam or Kentucky as their primary campus and who are enrolled at half-time status or greater are required to have health insurance coverage. (“Half-time status” is generally defined as taking five credit hours or more per semester or “pursuing a full course of study.”) Any student who is enrolled in at least three credit hours and paying regular tuition (e.g. not auditing) may also choose to enroll in the student health insurance plan (SHIP). Online (ExL) students may elect to enroll in the SHIP when they are currently enrolled in classes. Florida Dunnam and Kentucky Campus students will be enrolled in the SHIP each semester they are enrolled in course work as described above unless the student provides proof of active, comparable insurance through the online enrollment/waiver process each year. (“Comparable insurance” is defined as insurance that provides a level of coverage that meets or exceeds the coverage limits of the SHIP, as indicated in the current Plan Benefits brochure, and is a U.S.-based policy that is issued by a U.S.-based broker. The student maintains the final responsibility for understanding the Plan Benefits for the SHIP when researching comparability.) The student must complete the enrollment/waiver process through their Asbury Information System (AIS) personal account at https://student.asburySeminary.edu during the annual enrollment/waiver period. Failure to do so will result in a $50 administration fee and possibly the cost of the insurance annual premium.

All students with citizenship other than the United States (referred to hereafter as an “international student”) are also required to have health insurance coverage for themselves. In addition, international students are required to have health insurance coverage for all non-U.S. citizen dependents residing with them. If an international student purchases comparable insurance (as defined in the paragraph above) for themselves in order to waive the SHIP, the international student (in addition to the online enrollment/waiver process) must provide a physical copy of their comparable insurance plan’s certificate of benefits to the Office of Student Services by no later than the add/drop date each semester. International students’ insurance for themselves must include coverage for medical evacuation and repatriation of remains. Insurance coverage must be in effect on the day of arrival in the United States.

Student Insurance Enrollment/Waiver Period

Current students must complete the enrollment/waiver process through their Asbury Information System (AIS) personal account at https://student.asburySeminary.edu during the annual enrollment/waiver period. The enrollment/waiver period begins August 1 of each year and lasts until the fall semester drop/add date. To insure obtaining medical and prescription drug cards by the beginning of the time of coverage students will need to enroll in the SHIP by August 20. If a student enrolls in the SHIP after August 20, he/she will receive cards from the insurance company shortly after the end of the enrollment/waiver deadline.
Students who fail to enroll/waive coverage during this annual period will be charged a $50 dollar administrative fee. Students wishing to enroll after drop/add may enroll/waive the SHIP by contacting the Office of Student Services and paying the administrative fee till the end of the 8th week of the fall semester. Students who wait to waive insurance coverage after that deadline will also be enrolled and charged the full price for SHIP.

Questions regarding the enrollment/waiver process should be directed to the Office of Student Services at 859.858.2093 or by email to student.insurance@asburyseminary.edu. Due to HIPPA regulations, all questions about benefits, claims, etc. must be directed to the insurance broker or the claims administrator. The plan brochure, claim forms, rates, and contact information for the insurance broker and claims administrator are available at the website listed below.

Confidentiality

Every effort will be made to protect the privacy of all parties. Files pertaining to investigations conducted by the Office of Student Services, the Offices of Enrollment Management or any other Seminary office is regarded as confidential and will not be made available to the public by the Seminary unless required by law. Such records will be made available to individuals involved or alleged to be involved in a complaint and to Seminary officials who have a need to know only in accordance with applicable state and federal law or internal Seminary policy. Persons receiving such disclosure pursuant to internal Seminary policy shall be required to possess this knowledge with the strictest confidentiality.

Discipline and Restoration

Grievance Policy

Note: This section addresses grievances and offenses committed by students. If an alleged grievance is committed against a student by a staff member or administration, the matter will be processed through the human resources department. If an alleged grievance is committed against a student by a member of the faculty, the matter will be processed through the Office of the Provost. However, the Student Services Office on either campus may be the starting point for any grievance, and the matter will be properly channeled. Throughout this policy when the phrase “campus-specific director (CSD)” is used, it is referring to the Director of Student Services on the Kentucky Campus and the Director of Enrollment Management on the Florida Dunnam Campus.

Grievances and offenses seem to be inescapable as people live and work in community. The process of recovery and restitution after an offense will vary depending on the extent and cause of the offense. Asbury Seminary will operate from a foundation of justice and grace, seeking the wellness of all parties and the community at large.

The community and individuals live in a necessary tension of reciprocal relationship. The process of community-based restoration aims toward respect for both, at the expense of neither.

Community-Based Restoration

Community-based restoration engages various levels of ongoing participation by more than one party, following a process that aims toward recovery, healing, and restoration of the offending party(ies), while acknowledging the impact of the offense on the community and engaging a strategy of restitution and reconciliation. Asbury Theological Seminary embraces Matthew 18:15–21 as the biblical standard for the resolution of conflict and disappointment between persons within a community.

Student Discipline and Restoration Policy

Asbury Theological Seminary recognizes that Christian character and personal holiness are developed over time and by a process of formation involving all of life. While the community has a rule of life called our Ethos, and while the admission process takes into account a level of maturity and prior formation, we acknowledge the ongoing process of personal development.

Restoration Plan

Students in violation of community Ethos or seminary regulations may be required to participate in a restoration plan or be subject to a possible sanction (See page 36 for a list of sanctions). A restoration plan is a uniquely designed action plan meant to foster personal growth and restoration in a community context. In particular, a restoration plan may include, but is not limited to, such elements as a season of counseling, restorative action toward an offended party, ongoing accountability with a community member, small group attendance, or even a leave of absence from the Seminary community.
Process of Discipline and Restoration

a) Letter stating allegations and consequences

In the event that a grievance is filed with the campus-specific director, the student against whom a grievance is made will receive a request for a meeting accompanied by a written statement from the campus-specific director, setting forth a summary of the conduct giving rise to the alleged violation. The written statement will include a copy of the signed, written complaint. The meeting with the student against whom the grievance is made will be held within five (5) business days of the filing of the grievance unless extenuating circumstances are presented and approved by the campus-specific director.

b) Meeting with and process of the Student Services Committee

1. The campus-specific director will meet with all participating parties concerning the alleged grievances. The campus-specific director will decide if the allegation warrants being referred to the Student Services Committee for possible disciplinary action. The Student Services Committee consists of the campus-specific director, Director of Community Formation, and a faculty member.

2. The Student Services Committee will determine the next course of action, based on the severity of the allegation. If the allegation is deemed severe enough to possibly warrant suspension, dismissal, or expulsion, the case will be referred to the Discipline and Appeals committee.

The Discipline and Appeals Committee will consist of the Vice President of Enrollment Management, the Vice President of the Florida Dunnam Campus, and the Provost.

3. The Student Services Committee may request a meeting with the student against whom a grievance is made to discuss the allegations and possible consequences. Or the Student Services Committee can revert back to the campus-specific director to implement the decisions of the Student Services Committee. If the committee requests a meeting, the student against whom the grievance is made may bring an advocate. Legal counsel is not permitted in this meeting.

The Student Services Committee may also meet with the person initiating the grievance and such other persons the committee deems pertinent to the handling of the grievance. Only those invited to the meeting may attend.

c) Letter stating ruling and possible sanctions

The student against whom a grievance is made will receive written notice (via U.S. Postal Service and/or SPO) of the decision of the Student Services Committee no later than five (5) business days after the meeting with the committee, stating their ruling on the allegations and resultant sanctions. A meeting with the campus-specific director will be held as a follow up to the ruling within five (5) business days of the letter being sent to the student against whom a grievance is made.

d) Sanctions

All sanctions imposed upon students are cumulative in nature and will be added to the student’s official record. Sanctions that may be imposed in accordance to Seminary policy include:

1. Disciplinary Warning: a written notice that continuation or repetition of prohibited conduct may be cause for additional disciplinary action.

2. Disciplinary Reprimand: a written reprimand for violation of specified regulations, including a warning that continuation or repetition of prohibited conduct may be cause for additional disciplinary action, without loss of good standing with the Seminary. A violation of the terms of disciplinary reprimand, or subsequent misconduct after discipline, is grounds for further disciplinary action, including disciplinary probation, social suspension, disciplinary suspension, or disciplinary expulsion.

3. Disciplinary Probation: exclusion from participation in specified privileges or extracurricular institutional activities for a specified period of time. Additional sanctions or restrictions may also be imposed. A student on disciplinary probation is not in good standing with the Seminary. A violation of the terms of disciplinary probation, or subsequent misconduct, is grounds for further disciplinary action, including social suspension, disciplinary suspension, or disciplinary expulsion.
4. Social Suspension: exclusion from Seminary premises, as well as exclusion from participation in all privileges and extracurricular institutional activities, except for attendance in classes in which officially enrolled and defined privileges that are necessary and required for a specified period of time. Additional sanctions or restrictions may also be imposed. A violation of the terms of social suspension, or subsequent misconduct, is grounds for further disciplinary action, including disciplinary suspension or disciplinary expulsion.

5. Disciplinary Suspension: exclusion from Seminary premises, as well as participation in all privileges or extracurricular institutional activities, for a stated period of time at the end of which the student may apply for readmission to the Seminary. While under disciplinary suspension, the student is not entitled to attend classes, use Seminary facilities, participate in Seminary activities, or be employed by the Seminary. Special conditions may be stipulated for a student to be reinstated at the conclusion of the period of suspension. A violation of the terms of disciplinary suspension, or subsequent misconduct, is grounds for disciplinary expulsion.

6. Disciplinary Expulsion: termination of student status, and exclusion from Seminary premises, privileges and activities. Once expelled a student would be required to reapply and be accepted prior to returning to the Seminary.

7. Other Sanctions: other sanctions or conditions may be imposed instead of or in addition to those specified. Examples include, but are not limited to, termination of residence contract, restriction of access to specific areas of campus, monetary penalty, monetary reimbursement, public or community service, research projects, compulsory attendance at education programs, compulsory psychiatric/psychological evaluation and counseling, such as alcohol and drug counseling.

All applicable local, state, and federal laws shall be upheld by the Asbury Theological Seminary community at all times. The Seminary expects that each individual and group within the Seminary community will obey these laws. Failure to do so subjects the offender(s) to the possibility of Seminary disciplinary action and/or action by civil authorities.

e) Appeal process

If a student under the process of discipline and restoration wishes to appeal, a signed, written notice of this decision must be made to the Vice President of Enrollment Management on the Kentucky Campus or the Vice President of the Florida Dunnam Campus within five (5) business days of the decision being mailed by U.S. Postal Service and/or SPO.

The Discipline and Appeals Committee will meet with the student who has been disciplined to hear the appeal in a timely manner. The student may bring an advocate into the meeting. This meeting is closed to all other individuals, including attorneys. The Appeals Committee will hear from other involved individuals as deemed necessary and will make a decision within ten (10) business days of hearing the case. The Appeals Committee decision shall be considered final and be communicated to the student via U.S. Postal Service and/or SPO. A meeting with the campus-specific director will be held as a follow up to the ruling within five (5) business days of the letter being sent to the student.

f) Discipline Records

All occurrences submitted to the Discipline and Appeals Committee will be added to the student’s official record and be kept in the Office of the Registrar. A copy of the discipline and restoration record may be kept in the Office of Student Services, dependent upon which campus the student resides.

Discontinuance Policy

Discontinuance, in contrast to dismissal, does not imply an infringement of moral, ethical or ethos standards. Students may be discontinued for either academic or medical reasons. In the case of academic discontinuance, students on probationary status for two consecutive semesters are normally discontinued and must be discontinued after three consecutive semesters. Students can be discontinued for medical reasons if it is decided by the Discipline and Appeals Committee that a student’s medical condition becomes an immediate and direct threat of harm to oneself or others. Readmission for students who have been discontinued cannot be considered until at least three semesters have elapsed after the discontinuance. Students must present satisfactory evidence that the reason for discontinuance, whether academic or medical, has been resolved. All academic discontinuance cases will be processed through the Office of the Provost and all other cases will be handled through the Discipline and Appeals Committee.
Interim Emergency Withdrawal

In the event that a student’s behavior or medical condition becomes an immediate and direct threat of harm to themselves or others, the campus-specific director may withdraw the student or restrict the student from the seminary campus, which may include all seminary-housing units. Every effort will be made by the campus-specific director to meet with the student and gather information before such a decision is made. The emergency withdrawal or restricted access will remain in effect until the student is dismissed from the seminary or it is determined that the reasons for the emergency withdrawal no longer exist by the Discipline and Appeals Committee.

General Complaint Process for Students

The Seminary is committed and interested in the concerns of the students. Students may voice concerns through normal administrative procedures that include meeting with the Student Services Department or any other staff member(s).

A student with a complaint—a concern that a policy or procedure has been incorrectly or unfairly applied in his/her particular case—has recourse through complaint procedures. In most instances, complaints are expected to be resolved through an informal process beginning with talking to the individual and his/her supervisor, if necessary.

Any student who wishes to file a written complaint about any issue can do so through the Student Services Department. These procedures apply only to student complaints received in writing:

- A written Complaint Form is available in the Office of Student Services on the Kentucky Campus or the Enrollment Management Office on the Florida Dunnam Campus.
- The written Complaint Form is submitted in person or by U.S. mail. Complaints may not be submitted by email and should be clearly dated and signed.
- The Seminary will acknowledge all written student complaints within 10 business days of receipt of the complaint. The date of receipt should be marked on the complaint.
- Within 15 business days after acknowledging receipt of the complaint, the appropriate administrative office will inform the complainant regarding the institutional response to the complaint.
- All academic complaints will be forwarded and processed through the Office of the Provost. The student will be notified by the Director of Student Services on the Kentucky Campus or by the Director of Enrollment Management on the Florida Dunnam Campus when the complaint has been forwarded, and all other correspondence will be conducted between the student and the Office of the Provost. (Refer to Academic Catalog for specific requirements.)
- Students have the right to appeal the Seminary’s decision in the event they are not satisfied with the Seminary’s response. Any complaint that is appealed will automatically become a part of the student’s permanent file with the Seminary.

The steps to request an appeal are as follows:

Appeal Policy and Procedures

1. Introduction

   The Student Services Committee is a standing committee that meets as needed on discipline matters under the Discipline and Restoration committee. The members for each campus are outlined in the campus appendices found at the end of the Asbury Theological Seminary Student Handbook.

2. Purpose

   The Student Services Committee exists as a mechanism to provide a fair hearing for students, with the goal to ascertain if the Seminary’s action was fair and appropriate. The committee will hear evidence, ask questions, review the catalog/handbook policies, deliberate, and render an advisory ruling that, upon approval by the appropriate Vice President, will become the official response of the Seminary.

3. Request for Appeal

   The “Student Complaint Appeal” form may be obtained from either the Director of Student Services on the Kentucky Campus or from the Director of Enrollment Management on the Florida Dunnam Campus at any time during normal business hours or online. All “Student Complaint Appeals” should be submitted to the Director of Student Services on the Kentucky Campus or the Director of Enrollment Management on the Florida Dunnam Campus within 10 business days after receiving the institutional response.
Student Handbook

Appeal Process and Procedure

1. Within 10 days of receiving the CSD's institutional response, a student may file an appeal and must complete a “Student Complaint Appeal” form to begin the process. The form must be signed and dated with a full explanation of the problem/reason for the appeal. The “Student Complaint Appeal” form must be submitted to the Director of Student Services on the Kentucky Campus or to the Director of Enrollment Management on the Florida Dunnam Campus within the 10-day period. The Discipline and Appeals Committee will meet with the student to hear the appeal in a timely manner. The student may bring an advocate into the meeting; if an advocate will accompany the student, his/her name and relation to the situation must be included on the appeal form.

2. Upon receipt of the “Student Complaint Appeal,” the Director of Student Services on the Kentucky Campus or the Director of Enrollment Management on the Florida Dunnam Campus, whichever is appropriate, will schedule the hearing with the Student Services Committee within 10 business days of receipt of the request.

3. After the hearing, the Student Services Committee will make a decision within 10 business days and forward their decision to the appropriate Vice President for review within that time period.

4. The Vice President will review the decision of the Student Services Committee and will provide a final ruling concerning the complaint and communicate his/her decision to the campus-specific director within 5 business days.

5. Absent extenuating circumstances, the student requesting the hearing will then be notified by the campus-specific director of the decision within 3 business days.

6. The final ruling will automatically become a part of the student’s permanent file with the Seminary.

Special Note: If the complaint concerns one of the vice presidents, the CSD will communicate directly with the President as it relates to the complaint. If the complaint concerns the President, the CSD will work with the chair of the Leadership Committee of the Board of Trustees.

Course Complaints

The student who has a course-related complaint [e.g., course grade, timely and substantive feedback, late work, incomplete work, interpretation of course requirements, etc.] with a professor should talk first with the professor involved. If the professor is satisfied that the issue is one of fact, he/she may suggest a resolution to the complaint. If the student agrees with the faculty member’s judgment, the matter shall be concluded.

If the student and professor do not agree whether the issue is one of fact or judgment, the student will consult with the dean of the professor’s school. The dean, on the basis of a conference with the faculty member will make a preliminary decision regarding whether the matter is one of fact or judgment and will inform the faculty member and the student of his/her decision, in writing. If the dean indicates that the issue is one of judgment and the student accepts the decision, the matter may be terminated. Or, if the dean’s preliminary decision is that the issue is one of fact, and the faculty member agrees and acts accordingly, the matter may be terminated.

If the student or the faculty member does not agree with the dean’s preliminary decision, the matter may be presented to the Academic Council in writing for discussion and recommendation. The council shall invite the faculty member and the student involved to participate in the discussion, though the final decision will be made in executive session. If the academic council decides that the issue is one of fact, it shall direct the faculty member regarding the resolution of the issue. The academic council shall tender its decision to all parties in writing.

In the event that either the faculty member and/or the student does not agree with the decision of the academic council, the faculty member and/or the student may appeal to the vice president of academic affairs/provost (vpaa/provost) who shall be the final arbiter with respect to the resolution of the complaint.

Official documentation of all course-related complaints and resolution to same shall be housed in the Office of the Vice President of Academic Affairs/Provost.
Christian Formation Complaints

Students with complaints about the Christian formation program or about their formation guides should contact the dean of the school in which the faculty member is housed, in writing. The dean will respond to the complaint and, when necessary, affect a course of action aimed at resolving the complaint, communicating with the complainant in writing within two weeks of receiving the complaint.

Students wishing to appeal the decision of the dean of the school of in which the faculty member is housed may do so by addressing the provost in writing. The decision of the provost in cases related to the Christian formation program is final.

Student Records

All records involved in the Dismissal Policy, Discontinuance Policy, and Interim Emergency Withdrawal will be added to the student’s official record and be kept in the Offices of the Registrar. A copy of the discipline and restoration record may also be kept in the Office of Student Services, dependent upon which campus the student resides.

Sexual Harassment

Harassment and sexual harassment are reprehensible and will not be tolerated by Asbury Theological Seminary. Sexual harassment is illegal; it is a form of gender discrimination prohibited by Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, state regulations and Asbury Theological Seminary’s policy on sexual harassment.

Sexual harassment subverts the mission of the Seminary and threatens the careers, educational experience, and well-being of the students, staff and faculty. The Seminary is committed to maintaining an environment that is free of sexual harassment.

Policy

Sexual or other forms of harassment of a Seminary student by another student or Seminary employee will not be tolerated. Harassment by a non-employee, for example a contractor, vendor, supplier or visitor, is prohibited.

Harassment, including sexual harassment, is contrary to basic standards of conduct between individuals and is prohibited by the Equal Employment Opportunity Commission, state regulations, and the Seminary Ethos Statement. Any student who engages in the any of the acts or behaviors below violates Seminary policy, and will be subject to the formal Complaint process of the Discipline and Restoration Policy stated in the Student Handbook. Any student who is the recipient of any acts or behaviors below by another student, staff member or faculty is encouraged to talk to the Director of Student Services in order to address the behavior as soon as possible.

Definitions

Harassment is any verbal, electronic, physical or visual conduct of a racial, ethnic, or other type that, in the student’s or employee’s judgment, and that a reasonable person would consider, impairs the employee or student’s ability to perform the job. While a one-time incident may constitute harassment, normally harassment involves a pattern observed over time.

Sexual harassment includes unwelcome sexual advance or visual, electronic, verbal or physical conduct of a sexual nature that a reasonable person would find offensive. The definition encompasses many forms of offensive behavior including gender-based harassment of a person of the opposite or same sex as the harasser, conduct of a sexual nature that creates an offensive, intimidating, or hostile work and educational environment, and coerced sexual conduct by a person in a position of authority in the workplace or educational environment (i.e. power relationship).

Prohibited harassment may include but is not limited to:

- unwelcome sexual flirtation or advances;
- offering employment, promotions, grades, or other benefits in exchange for sexual favors;
- making or threatening reprisals for refusing sexual advances;
- leering, making sexual gestures, displaying sexually suggestive objects or pictures, cartoons or posters, suggestive or obscene letters, notes or invitations;
- verbal and electronic conduct such as derogatory comments, epithets, slurs, sexual innuendo, sexual jokes, graphic verbal commentaries about an individual’s body, or sexually degrading words used to describe an individual;
- physical conduct such as unwanted, suggestive, or offensive touching, assault, impeding or blocking movement. 
Procedures for Complaint Resolution

Sexual Harassment complaints between a student and staff/faculty person.

Sexual harassment concerns reported by a student in regard to a staff member or related to employment may be made to Human Resources or to the Director of Student Services and will be reported and processed through Human Resources. Any complaint must be in a written statement signed by the person making the complaint, with specificity of circumstances and nature of alleged sexual harassment.

Sexual harassment concerns reported by a student in regard to a faculty member may be made to the Office of the Provost and will be reported and processed through the Office of the Provost. The complaint must be made in a written statement signed by the person making the complaint, with specificity of circumstances and nature of alleged sexual harassment and submitted to the vice president of academic affairs/provost.

Sexual Harassment Adjudication between Students

If a student believes he or she has experienced a form of sexual harassment, he or she should immediately contact the Director of Student Services. The complaint will be filed with the Director of Student Services in a written statement signed by the person making the complaint, with specificity of circumstances and nature of alleged sexual harassment. The Director of Student Services will present the complaint to the Student Services Committee for adjudication. Adjudication on the case will take into account the interest of the accuser and accused and seek to be redemptive. The accused student will be given a copy of the signed allegations and permitted to rebut the charges in writing. The rebuttal will be copied to the complainant.

Once a harassment complaint is initiated, the accused student and the complainant are to refrain from all contact or communication with one another except in the presence of a Student Services representative as determined by the Director of Student Services.

When deemed appropriate to protect the well-being of the person making the complaint, the accused student, and/or the Seminary and its constituents, the Student Services Committee may recommend suspension from the Seminary to the Vice President for Enrollment Management and Student Services or removal from Seminary housing to the Director of Student Services until the complaint is finally resolved by mutual agreement or conclusion of the disciplinary process.

In the event that the Student Services Committee determines the complaint has merit, it will seek to resolve the issue informally, if at all possible, through consultation with both the complainant and the accused.

The Student Services Committee may interview the student initiating the complaint, the student against whom the complaint is filed and such other persons as deemed necessary by the Committee. No other persons shall be present during these interviews.

In the event that the complaint cannot be resolved informally, the Student Services Committee will interview both parties separately, and a ruling made within 15 working days of the submission of the complaint. The decision will be communicated to both parties by SPO and U.S. Postal Service.

While every effort will be made to act redemptively and restoratively, disciplinary action may result, ranging from a written reprimand to expulsion from the student body and restricted access to the Seminary property, with intermediate action between these extremes.

If the charge is upheld, the person charged with harassment has the right to file a formal appeal. The appeal must be made in a signed writing to the Vice President of Student Services no later than 10 working days from the date of notification of the decision. The Vice President of Student Services, acting in consultation with the President’s Cabinet, will make a final decision on the ruling within 15 working days of the appeal.
Asbury Theological Seminary  
Sexual Misconduct Policy  

I. INTRODUCTION AND SCOPE  

As established in its Ethos Statement, members of the Asbury Theological Seminary community commit themselves to the practice of celibacy in singleness and fidelity in Christian marriage, which the Seminary affirms as a sacred union between one man and one woman; commit themselves to helping one another attain the highest standards of sexual morality, and to recognize the devastating personal, social and global effects of sexual sin against God, self and others, but especially society’s most vulnerable members; and condemn any form of harassment or abuse.  

Consistent with these principals, Asbury Theological Seminary is committed to complying with laws on sexual misconduct, including Title IX, the Jeanne Clery Act (Clery Act) and the Campus Sexual Violence Elimination Act (SaVE Act). The Seminary has adopted policies and procedures to prevent and respond to incidents of sexual misconduct. These rules apply to all members of the Seminary community, including students, faculty and staff, as well as third parties who interact with the Seminary community. The Seminary will respond promptly and effectively to reports of sexual misconduct, and will take appropriate action to prevent, correct and, when necessary, discipline behavior that violates this policy.  

The Seminary is committed to creating and maintaining a community where all persons who participate in Seminary programs and activities can work and learn together in an atmosphere free of sexual misconduct. Therefore, the Seminary will not tolerate sexual misconduct as defined in this policy. Such acts are prohibited by Seminary policy, as well as state and federal law. Persons whom the Seminary determines more likely than not have violated this policy are subject to penalties up to and including dismissal or separation from the Seminary, regardless of whether they are also facing criminal or civil charges before a government agency or court of law.  

This policy applies to all Seminary students, faculty and staff, as well as third parties who interact with the Seminary community, and all Seminary-sponsored programs, events and activities, regardless of where the alleged sexual misconduct occurs. Gender discrimination that is not covered by this policy should be addressed through the Seminary’s other policies on discrimination. Nothing about this policy condones sexual relationships that are inconsistent with the Seminary’s Ethos Statement, regardless of whether the parties’ actions are welcome or consensual as defined in this policy, and violations of the Seminary’s Ethos Statement are grounds for discipline regardless of whether the conduct violates this policy.  

II. DEFINING SEXUAL MISCONDUCT  

Seminary policy prohibits gender discrimination. Sexual misconduct is a form of gender discrimination. Different forms of sexual misconduct are explained in this policy. The determination of what constitutes sexual misconduct will vary with the facts and circumstances.
of each case. For acts of gender discrimination that are not covered by one of the forms of sexual misconduct addressed in this policy, please see the Seminary’s other policies on discrimination.

**Sexual harassment** can take one of two forms. The first form involves unwelcome verbal, electronic, physical and/or visual conduct based on sex, which both (1) unreasonably interferes with a person’s work or educational performance, and (2) creates an environment that both a reasonable person and the specific person being harassed would find intimidating, hostile or offensive. The second form involves either (1) submission to unwelcome advances of a supervisor as an express or implied condition of receiving work or educational benefits, or (2) a tangible work or educational detriment resulting from a person’s failure or refusal to submit to sexual demands of a supervisor. Examples of sexual harassment include (but are not limited to):

- Unwelcome sexual flirtation or advances.
- Offering employment, promotions, grades or other benefits in exchange for sexual favors.
- Making or threatening reprisals for refusing sexual advances.
- Unwelcome visual and/or electronic conduct such as leering; making sexual gestures; displaying sexually suggestive objects or pictures, cartoons or posters; and suggestive or obscene letters, notes or invitations.
- Unwelcome verbal or electronic conduct such as derogatory comments; epithets; slurs; sexual innuendo; sexual jokes; graphic verbal commentaries about a person’s body; and sexually degrading words used to describe a person.
- Unwelcome physical conduct such as unwarranted, suggestive or offensive touching; and impeding or blocking movement.

**Sexual Assault** refers to any sexual act directed against another person, forcibly and/or against the person’s will; or not forcibly or against the person’s will where the survivor is incapable of giving consent, as well as incest or statutory rape. Examples of sexual assault for purposes of this policy include but are not limited to:

- Intentional touching of another person’s intimate parts without that person’s consent;
- Other intentional sexual contact with another person without that person’s consent;
- Coercing, forcing or attempting to coerce or force a person to touch another person’s intimate parts without that person’s consent; or
• Rape, which is penetration, no matter how slight, of (1) the vagina or anus of a person by any body part of another person or by an object, or (2) the mouth of a person by a sex organ of another person, without that person’s consent.

**Domestic Violence** includes felony or misdemeanor crimes of violence committed by:

• A current or former spouse or intimate partner of the survivor;

• A person with whom the survivor shares a child in common;

• A person who is or was residing in the same household as the survivor; or

• Any person against someone who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Dating Violence** refers to violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the survivor.

**Stalking** occurs when someone engages in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

**Sexual exploitation** occurs when someone takes sexual advantage of another person for the benefit of anyone other than that person without that person’s consent. Examples of behavior that could rise to the level of sexual exploitation for purposes of this policy include but are not necessarily limited to:

• Prostituting another person;

• Recording images (e.g., video, photographs) or audio of another person’s sexual activity, intimate body parts or nakedness without that person’s consent;

• Distributing images (e.g., video, photographs) or audio of another person’s sexual activity, intimate body parts or nakedness if the person distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to such disclosure and objects to such disclosure; and

• Viewing another person’s sexual activity, intimate body parts or nakedness in a place where that person would have a reasonable expectation of privacy, without that person’s consent, and for the purpose of arousing or gratifying sexual desire.

**Unwelcome conduct** does not have to include intent to harm, be directed at a specific target or involve repeated incidents, and can involve persons of the same or opposite sex. Participation in conduct or the failure to complain does not always mean the conduct was welcome. The fact that a person has welcomed some conduct does not necessarily mean a person welcomed other conduct. Similarly, the fact that a person may have invited, requested or
otherwise consented to conduct on one occasion does not necessarily mean the conduct is welcome on a later occasion.

Consent as used in this policy is defined as follows:

Consent is informed. Consent is an affirmative, knowing, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity.

Consent is voluntary. It must be given without coercion, force, threats, or intimidation. Consent means positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of free will. Even though consent does not necessarily need to be verbal, relying purely on non-verbal communication can lead to misunderstandings. So, a spoken agreement is the most clearly indicated form of consent. It may not, in any way, be inferred from silence, passivity, lack of resistance or lack of an active response alone. Assuming that consent was given by the absence of a “no” is wrong.

Consent is revocable. Consent to some form of sexual activity does not imply consent to other forms of sexual activity. Consent to sexual activity on one occasion is not consent to engage in sexual activity on another occasion. A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be mutual consent to engage in sexual activity. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Consent cannot be given when a person is incapacitated. A person cannot consent if s/he is unconscious or coming in and out of consciousness. A person cannot consent if s/he is under the threat of violence, bodily injury or other forms of coercion. A person cannot consent if his/her understanding of the act is affected by a physical or mental impairment. Consent must be given with rational and reasonable judgment, so if the survivor was physically incapacitated from the consumption of alcohol or drugs, unconsciousness, or any other kind of inability, consent cannot be obtained.

III. TITLE IX COORDINATOR

The Seminary’s Title IX Coordinator and Deputy Coordinators play the main role in carrying out the Seminary’s commitment to provide a positive learning, teaching and working environment for the entire Seminary community. By providing training on preventing sexual misconduct and retaliation, the Title IX Coordinator and Deputy Coordinators strive to maintain a safe campus and provide a good Seminary experience for all.

The responsibilities and functions of the Title IX Coordinator and Deputy Coordinators are set out in this policy, but in general, the Title IX Coordinator and Deputy Coordinators
receive and oversee the Seminary’s response to reports and complaints that involve possible
gender discrimination, including sexual misconduct, to monitor outcomes, identify and address
patterns, and assess effects on the campus climate so the Seminary can address issues that affect
the wider Seminary community.

More specifically, the Title IX Coordinator and Deputy Coordinators monitor compliance
with the reporting, complaint, investigation and appeals processes outlined in this policy. Upon
a finding of prohibited sexual misconduct under this policy, the Title IX Coordinator and Deputy
Coordinators determine whether campus-wide remedies are needed in response, including but
not limited to revision of policies; increased monitoring, supervision or security; and increased
education and prevention efforts. The Title IX Coordinator and Deputy Coordinators also review
sanctions issued under this policy to ensure that they, along with any interim measures and long-
term measures taken, are reasonably calculated to stop the sexual misconduct and prevent its re-
occurrence.

The name, office and contact information for the Seminary’s Title IX Coordinator and
Deputy Coordinators are:

Reports of sexual misconduct can also be made to “Responsible Employees” as described elsewhere in this policy.

**IV. REPORTING**

The Seminary strongly encourages persons who have experienced sexual misconduct, or knows of someone who has experienced sexual misconduct, to report the incident to the Seminary per this policy. **In case of an emergency or ongoing threat, a survivor should get to a safe location and call 911.** Calling 911 will put you in touch with local police.

**A. Responsible Employees**

In addition to the Title IX Coordinator and Deputy Coordinators, the Seminary considers certain people to be “Responsible Employees” which means they are Seminary employees who are required to report alleged sexual misconduct to the Title IX Coordinator or Deputy Coordinator. You are encouraged to speak to a Responsible Employee to make reports of sexual misconduct. The following persons are “Responsible Employees” under this policy: the Seminary’s Title IX Coordinator, the Seminary’s Deputy Title IX Coordinators, the President of the Seminary, Members of the President’s Cabinet, the Director of Community Formation, all Resident Assistants who serve in Seminary-owned residence halls and all Resident Hosts who serve in Kalas Village.

Any member of the Seminary community can file a report with the Title IX Coordinator, Deputy Coordinators or Responsible Employees. If a survivor shares an incident of sexual misconduct with a Responsible Employee, he or she needs to know that it is the Responsible Employee’s responsibility to notify the Title IX Coordinator or Deputy Coordinator of the incident immediately.
B. **Reporting Timeframe**

Any person may file a complaint of sexual misconduct at any time. Early reporting is encouraged to preserve evidence and provide the survivor with information regarding rights, options and resources available under this policy and federal/state laws.

The Title IX Coordinator or Deputy Coordinator will provide survivors of sexual misconduct with information about available support services and resources, and also assist survivors in notifying law enforcement, including the local police, if a survivor elects to do so. **Survivors are not required to report to area law enforcement in order to receive assistance from or pursue options within the Seminary.** Reporting sexual misconduct to the police does not commit the survivor to further legal action. However, the earlier an incident is reported, the easier it will be for the police to investigate if the survivor decides to proceed with criminal charges.

C. **Reporting Options**

This section addresses options for reporting sexual misconduct. The Seminary may investigate sexual misconduct even without a formal complaint whenever it knows or has reasonable cause to believe that sexual misconduct in violation of this policy has occurred.

1. **Official Report:** Persons are strongly encouraged to make an official report of any incident of sexual misconduct to the Title IX Coordinator or appropriate Deputy Coordinator regardless of whether the incident occurred on or off campus. Official reports can be made directly to the Title IX Coordinator or appropriate Deputy Coordinator via a written statement or an appointment. Official reporting initiates a course of immediate action. In cases where a complainant states he or she does not want to pursue a formal complaint, the ability of the Seminary to investigate may be limited. Even if a complainant does not want to pursue an investigation, under some circumstances, the Title IX Coordinator or Deputy Coordinator may have an obligation to investigate a complaint, such as when there is a risk to the campus community if the accused remains on campus. When determining whether to go forward with an investigation, the Title IX Coordinator or Deputy Coordinator may consider the seriousness of the allegation, the age of the complainant, whether there have been other complaints or reports against the accused, and the rights of the accused to receive information about the complainant and the allegations if a hearing and possible sanctions may result from the investigation.

   If a person decides to make a formal report, a detailed (written, typed, emailed, or handwritten) statement of the alleged incident(s) should be submitted to the Title IX Coordinator or Deputy Coordinator. This formal statement should be signed and dated. The statement should be as specific as possible, including dates, times, locations, a description of the alleged misconduct and the name(s) of the accused person(s), and further provide a list of any person(s) who may have information that would be helpful to the investigation and review. The Title IX Coordinator or Deputy Coordinator will promptly investigate all formal reports.
2. Confidential Disclosure: Despite the Seminary’s strong interest in having persons report complaints of sexual misconduct, the Seminary realizes that not everyone is prepared to make an official report to the Seminary. You can seek help from certain resources that are not required to tell anyone else your private, personally identifiable information unless there is cause for fear for your safety or the safety of others. If a person desires that details of the incident be kept confidential, they should speak with off-campus counselors, advocates, mental health providers or rape crisis resources who can maintain confidentiality. Such professionals generally are not required to report personally identifiable information given in confidence unless given permission. If the person chooses not to pursue a judicial process option (e.g., criminal charges), no further action will be taken unless the professional who receives the concern believes there is an imminent threat to the survivor or others. Persons who disclose incidents of sexual misconduct to their counselors, advocates or other providers should discuss whether to have that counselor, advocate or provider report the misconduct to the Seminary and request interim measures required by Title IX, or request discretionary support measures from the Seminary without reporting the nature of the conduct.

3. Requests via a Counselor, Advocate or other Provider: A survivor may have his/her counselor, advocate or other provider request interim measures from the Seminary on the survivor’s behalf. The request may trigger the Seminary’s obligation to investigate. To the extent a counselor, advocate or other provider makes a disclosure but, consistent with the survivor’s wishes, asks the Seminary not to investigate or otherwise notify the accused of the report, the Title IX Coordinator or Deputy Coordinator will consider whether he/she can honor the request while still providing a safe and nondiscriminatory environment for all students, faculty and staff, and to take interim measures to protect the survivor as needed.

D. Confidentiality

Reports and personal information will be kept as confidential as possible to the extent the law allows and to the extent confidentiality is consistent with the Seminary’s need to protect the safety of the Seminary community. Complete confidentiality cannot be promised as the Seminary will need to thoroughly investigate the case, and may need to share some information with relevant administrators of the Seminary in order to further protect and prevent incidents. Reports to law enforcement may be shared with the Seminary’s Title IX Coordinator or Deputy Coordinator. The Seminary may be required by law to publish non-identifying information in campus crime statistics.

All school employees (with the exception of those bound by privilege such as medical professionals, counselors and chaplains) must share information that they learn of regarding a report of sexual misconduct with the Title IX Coordinator or Deputy Coordinator so they can investigate the matter and determine whether steps are needed to ensure the safety of the Seminary community.

It is the survivor’s choice as to whether he/she participates in an investigation; however, the Seminary may proceed with an investigation without the survivor’s participation.
E. Drug and Alcohol Amnesty

The Seminary offers immunity (amnesty) to students who may have violated the Seminary’s policies concerning the use of drugs and/or alcohol at the time of the incident when he or she became a survivor of, or witnessed, sexual misconduct. Therefore, no alcohol or drug charges are applied to a student who reports that he or she was under the influence of alcohol and/or drugs at the time of a sexual misconduct incident.

The purpose of this section is to encourage reporting. Survivors or bystanders (witnesses) should not let his or her use of alcohol or drugs deter them from reporting an incident. When conducting the investigation, the Seminary’s primary focus will be addressing the sexual misconduct violation and not alcohol/drug use violations that may be discovered or disclosed. However, the Seminary may provide referrals to counseling and may require educational options on drugs and alcohol, rather than disciplinary sanctions, in such cases.

V. Bystander Intervention

The Seminary strongly encourages bystanders to “step up” on behalf of another person’s wellbeing and safety. The reporting options listed in this policy are available for bystanders as well. There are also safe and positive options for bystanders who intervene during an incident in order to prevent harm when there was a risk or act of violence. These options include:

- **Be aware** of what is going on around you. Trust your instincts. Assume personal responsibility and say or do something – don’t assume that someone else will help.

- **Assess the situation.** You have to decide what the safest way is for you and others involved to help. Gauge whether the situation requires calling authorities. When deciding to intervene, your personal safety should be the #1 priority. When in doubt, call for help. Other possible people to reach out to for assistance in helping are faculty, staff, supervisors, counselors, etc.

- **Decide** whether to use direct or indirect action to resolve the problem. For example:
  - Direct Actions: Point out someone’s behavior in a manner that will help de-escalate the situation, talk to a friend to ensure he/she is okay, call the police.
  - Indirect Action: Make up an excuse to help someone get away from a potential offender, and call the local authorities.

- **Intervene** – with reinforcements. If you gauge it is safe to intervene, you’re likely to have a greater influence on the parties involved when you work together with someone or several people. Your safety is increased when you stay with a group of friends that you know well.
  - Remember to intervene in a compassionate, non-threatening manner.
• Be aware of available resources for assisting persons on campus and in the community.

• Encourage them to seek assistance and offer them resources for assistance.

Remember, 911 is often the best way to intervene if there is a question of safety for anyone.

VI. WRITTEN NOTICE OF RIGHTS AND OPTIONS

Any person who reports an incident of sexual misconduct, regardless of whether the incident occurred on or off campus, shall receive a written explanation of their rights and options as provided for under this policy. These rights and options include the right(s) of a survivor to:

• Go to court, and to file a domestic abuse complaint requesting an order restraining your attacker from abusing you, and/or an order directing your attacker to leave your household, building, school, the Seminary or your workplace.

• Seek a criminal complaint for threats, assault and battery, or other related offenses.

• Seek medical treatment (the police will arrange transportation for you to the nearest hospital or otherwise assist you in obtaining medical treatment if you wish).

• Request the police remain at the scene until your safety is otherwise ensured.

• Request that a police officer assist you by arranging transportation or by taking you to a safe place, such as a shelter or a family or friend's residence.

• Obtain a copy of the police incident report at no cost from the police department.

VII. Procedures Survivors Should Follow

If an incident of sexual misconduct occurs, it is important to preserve evidence so that successful criminal prosecution remains an option.

The survivor of a sexual assault should not wash, shower or bathe, douche, brush teeth, comb hair, or change clothes prior to a medical exam or treatment. If a survivor has removed the clothing he or she was wearing during the assault prior to seeking medical treatment, that clothing should be placed in a brown paper, not plastic, bag and brought to the hospital when treatment is sought. If the survivor is still wearing the clothes that he or she was wearing during an assault, he or she should bring a change of clothes with him or her to the hospital so that the clothes containing possible evidence can be preserved and examined for evidence of the crime.

Evidence of violence, such as bruising or other visible injuries following an incident of sexual assault, should be documented by taking photographs. Evidence of stalking, including any communications such as written notes, email, voice mail, or other electronic communications sent by the stalker, should be saved and not altered in any way.
VIII. INTERIM MEASURES AND ACCOMMODATIONS

The Title IX Coordinator and Deputy Coordinators have the right to take necessary measures to protect a person’s rights and personal safety. Therefore, interim measures will be available to protect persons from any kind of retaliation or threatening situations during and after the investigation process. These measures include but are not limited to changes in class schedules, living or working arrangements; safety escorts; parking arrangements; dining arrangements; and resources for professional counseling. Regardless of whether a person reports an incident of sexual misconduct to law enforcement or pursues any formal action, if they report such an incident to the Seminary, the Seminary is committed to providing them as safe of a learning or working environment as possible.

The Title IX Coordinator or Deputy Coordinator determines which measures are appropriate for survivors on a case-by-case basis. Upon receiving a report of sexual misconduct, the Title IX Coordinator or Deputy Coordinator will ask the survivor or his/her counselor, provider or advocate what interim measures, if any, are sought. If the survivor or his/her counselor, provider or advocate identifies an interim measure that is not already provided by the Seminary, the Title IX Coordinator or Deputy Coordinator will consider whether the request can be granted. In those instances where interim measures affect both a survivor and the accused, the Title IX Coordinator or Deputy Coordinator will minimize the burden on the survivor wherever appropriate.

When a survivor’s counselor, provider or advocate asks for any of the above-listed interim measures without disclosing that sexual misconduct is the basis for the request, the Title IX Coordinator or Deputy Coordinator will consider the request consistent with its general policy of allowing counselors, providers and advocates to seek such measures for survivors of trauma without requiring that the nature of trauma be disclosed.

The Seminary is also committed to ensuring that orders of protection issued by courts are upheld on all Seminary-owned, used and controlled property, as well as properties immediately adjacent to the Seminary. Therefore, if any member of the Seminary community obtains an order of protection or restraining order, he or she should promptly inform the Title IX Coordinator or Deputy Coordinator and provide him/her with a copy of that order so the Seminary can enforce it. The Seminary is also committed to protecting survivors from further harm, and if the Title IX Coordinator or Deputy Coordinator determines that a person’s presence on campus poses a danger to one or more members of the Seminary community, he/she can issue an institutional “No Contact” or “No Trespass” order barring that person from Seminary property.

IX. INVESTIGATION AND HEARING PROCESS

The Seminary’s Title IX Coordinator or Deputy Coordinator will investigate alleged violations of this policy regardless of whether the conduct is alleged to have occurred on-campus or off-campus. Each report must be evaluated on a case-by-case basis, taking into account the relevant circumstances of each case. The investigation process may include interviews, reviewing student and/or employee files, and gathering and examining other relevant evidence. The investigation process will be balanced and fair and give both the accused and the
complainant the chance to discuss their involvement in the reported incident. Allegations of sexual misconduct will not be referred to informal mediation.

If the investigation concludes that evidence exists to suggest that a violation of this policy more likely than not occurred, the Title IX Coordinator or Deputy Coordinator will refer the case for a hearing before the Student Services Committee, which for purposes of this policy consists of the Kentucky Director of Student Services, the Director of Community Formation and three faculty members appointed to serve on the Student Services Committee. If the investigation concludes that evidence exists to suggest that a violation of this policy more likely than not occurred, the Title IX Coordinator or Deputy Coordinator will refer the case for a hearing before the Student Services Committee, which for purposes of this policy consists of the Kentucky Director of Student Services, the Director of Community Formation and three faculty members appointed to serve on the Student Services Committee.  

Each party will have the following hearing rights:

• The right to access information and evidence directly related to them within a reasonable time before hearing.

• The right to have an advisor of their choice present at the hearing.

• The right to introduce evidence and question witnesses at the hearing, provided, however, that the complainant and the accused will not be allowed to directly question each other.

Hearings will be closed to the public. Following a hearing, the Student Services Committee will deliberate and determine whether, given the evidence and testimony presented, it is more likely than not that a violation of this policy occurred. Possible hearing outcomes include, but are not limited to, changes to class schedules, changes to living arrangements, suspension or expulsion from the Seminary, and reporting the incident to the local police. The measure taken will depend upon the individual circumstances.

The Title IX Coordinator or Deputy Coordinator will inform both parties in writing of the outcome the investigation and/or hearing within seven (7) business days of the investigation and/or hearing’s conclusion. Notice of the outcome will include key findings and any penalties or protective measures directly related to the party.

As a general rule, the Seminary will complete the investigation and hearing process within sixty (60) calendar days from receipt of a complaint. However, the Seminary may extend that time frame under special circumstances such as complex cases requiring extensive investigation and breaks between academic periods making relevant parties or officials unavailable. The Seminary will work to keep extensions to a minimum and will keep the parties informed of the status of their case.

Survivors always have the option to file a criminal report in addition to or in lieu of a report under this policy. In no case should a survivor be dissuaded from reporting sexual misconduct to law enforcement. Regardless whether a survivor elects to file a criminal report, the Seminary will conduct a separate investigation of its own. If the accused is not affiliated with the Seminary, an investigation will still be conducted. The Title IX Coordinator or Deputy Coordinator or Deputy Coordinator will inform both parties in writing of the outcome the investigation and/or hearing within seven (7) business days of the investigation and/or hearing’s conclusion. Notice of the outcome will include key findings and any penalties or protective measures directly related to the party.

1 In the event of a conflict of interest, the committee member who has the conflict will recuse himself/herself from the committee.

Approved by Board of Trustees – November 2014
Coordinator may issue a No Contact or No Trespass order to an accused unless and until the accused is found not responsible. If the accused is a student or faculty from a visiting institution, the Seminary reserves the right to contact that institution for further investigation.

Throughout the process, arrangements will be made to prevent the parties from having direct contact or communication with each other.

The Title IX Coordinator will keep a record of the hearing and investigation process for each case.

X. APPEAL PROCESS

Once a decision has been made and both parties have been notified of the outcome, either party may appeal that outcome to the Provost. Appeals must be received by the Provost no later than five (5) working days after the date the underlying decision is issued. Appeals received after the deadline will not be processed. Appeals should be marked “confidential” and submitted by email or mail to the following:

Office of the Provost
Asbury Theological Seminary
204 N. Lexington Ave.
Wilmore, KY 40390

doug.matthews@asburyseminary.edu

Both parties will be notified in writing by the Provost that an appeal was received. The burden of proof lies with the appellant.

The Provost will assess and decide the appeal based on the investigation and hearing record from the previous levels within twenty-one (21) calendar days of receiving the appeal, unless circumstances require more time, in which case the Provost will advise the parties of the need for more time. Grounds for appeal are limited to the following:

• The Seminary made a procedural error, which could have significantly affected the outcome.

• Previously unavailable and relevant evidence was found that could impact the final result.

• The penalties imposed or other protective measures taken are too severe based on the evidence of record.

The Provost will notify the parties of the outcome of the appeal. Appeal decisions are final. The Title IX Coordinator will keep a record of the appeal process.

XI. NO RETALIATION OR DETERRENCE FOR FILING REPORTS

The Seminary strictly prohibits retaliation for making a report under this policy or participating in an investigation or hearing under this policy. Examples of retaliation include, but
are not limited to, a face to face threat, a digital message and/or physical intimidation. Retaliation can be by someone other than the accused. Any person who feels they have been retaliated against as a result of a report under this policy should contact the Title IX Coordinator or a Deputy Coordinator immediately.

XII. RESOURCES

A. On-Campus Resources

The Director of Community Formation and the Dean of Chapel can provide spiritual support and other resources for survivors of sexual misconduct. The Campus-Specific Directors for Student Services in Kentucky and Florida can provide information about area counselors for survivors of sexual misconduct. A formal report is not required to access these resources.

B. Online Resources

If a person feels the need to pursue further help and counseling, there are institutions and charity groups that are specialized and specifically trained to aid survivors of different violent crimes. A formal report is not required to access these resources. These are some nationwide websites that provide help:

National Domestic Violence Hotline
http://www.thelotline.org/

Stalking Resource Center
http://www.victimsofcime.org/our-programs/stalking-resource-center

National Sexual Assault Hotline
http://www.rainn.org/get-help/national-sexual-assault-online-hotline

Girls Health Website
http://www.girlshealth.gov/safety/saferelationships/daterape.html

Clery Center for Security on Campus
http://clerycenter.org/help-victims

C. Off-Campus Resources

In addition to the resources listed above, the following off-campus resources are available:

• Emergency Services (911).

• Bluegrass Rape Crisis Center (859-236-4445; after hours, 1-800-HOPE)

• National Sexual Assault Hotline (800-656-4673)
XIII. TRAINING AND EDUCATION

All students, faculty and staff must annually complete Seminary-sponsored training on sexual misconduct issues within the dates and times arranged by the Title IX Coordinator. Failure to do so may result in corrective action. Annual training will, at minimum, cover the following:

- Seminary policies and procedures for reporting and addressing sexual misconduct;
- Reminders that the Seminary prohibits the offenses of domestic violence, dating violence, sexual assault, sexual exploitation and stalking;
- The definitions for domestic violence, dating violence, sexual assault, sexual exploitation and stalking;
- The definition of consent and “welcome” conduct;
- Training on safe and positive options for bystander intervention that may be carried out by a person to prevent harm or intervene when there is a risk of sexual misconduct against a person other than such person;
- Information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks;
- Possible sanctions or protective measures that such institution may impose following a final determination of an institutional disciplinary procedure regarding sexual misconduct;
- Procedures survivors should follow if sexual misconduct has occurred;
- Procedures for institutional disciplinary action in cases of alleged sexual misconduct;
- Written notification of students and employees about existing counseling, health, mental health, survivor advocacy, legal assistance, and other services available for survivors both on-campus and in the community; and
- Written notification of survivors about options for, and available assistance in, changing academic, living, transportation, and working situations, if so requested by the survivor and if such accommodations are reasonably available, regardless of whether the survivor chooses to report the crime to campus police or local law enforcement.

In addition, the Seminary provides informational resources such as crime bulletins and alerts and bulletin board campaigns.
Student Housing

The Seminary offers housing for both single and married students on the Kentucky Campus. For married and single-parent students, there are townhouses; for single students (or students attending without other family members), there are residence halls. New students receive a housing application upon applying to the Seminary; current students may request a housing application from the Office of Student Services. (Please note: there are different applications for the different types of housing, so be sure to submit the correct application for the type of housing desired.)

The Seminary provides housing for students on a first-come, first-served basis. However, international students from outside North America are given priority in terms of being granted housing. Housing assignments are based on the date the Seminary receives the completed housing application and $100 deposit from students who have been admitted to the Seminary. The deposit is refundable up to the point that the student accepts an assignment. For family housing, an additional $100 deposit is required at lease signing.

To occupy Seminary housing, a student must be full time (i.e., taking at least nine credit hours during the fall and spring semesters or pursuing a full course of study). A student moving into Seminary housing must sign and abide by the corresponding rental agreement. Absolutely no animals/pets of any kind, weapons, firearms, or flammable materials are permitted in or on Seminary property and violation of this policy will result in immediate eviction.

J. Ellsworth and Janet Kalas Family Housing

Asbury Theological Seminary’s new family housing consists of a total of 150 2BR/1.5 bath, 3BR/2 bath and a limited number of 4BR/3 bath units, with living room, fully furnished kitchen (range, microwave oven, refrigerator, and dishwasher), as well as washer/dryer hookups. Fully furnished units are available for international students on a first come first serve basis.

The units are all electric and feature several amenities, including geothermal heating and cooling for extremely efficient comfort control and very low utility costs, hardwood floors throughout, as well as ceramic tile in kitchen, dining rooms and bathrooms. All units also come equipped with washer and dryer hook ups and a storage room on the back porch. Several parking areas are positioned throughout the development, and have individual street addresses and nearby mailbox clusters. The lessee will pay utilities. Please see the Kentucky appendix for floor plans.

Gallaway Village

Bishop Sundo Kim (Men’s Residence Hall) and Bettie Morrison (Women’s Residence Hall)

Gallaway Village is our new single residence neighborhood located on the edge of campus. Each of our new residence halls can accommodate up to 46 men/women in single occupancy rooms. The rooms are arranged in apartment-like suites in which a student will share a living area and kitchen with three other students. Each student will have his/her own bedroom and bathroom. The bedroom is furnished with a desk and chair, double bed, dresser, and a nightstand. The suite common area will have a couch, chair, and kitchen table with chairs.

Each residence hall provides wireless Internet throughout and Ethernet cables in individual rooms. The first floor has a large common area, which provides relaxed sitting areas, fireplaces, and areas for group meals. A laundry facility and study area are located on each floor. The Gallaway Village residence halls offer a unique opportunity for serious academic focus and formational community.

Grice Hall

Over the past 40 years, Grice Hall has housed students preparing to meet the call of God on their lives. During the summer of 2011, Grice was given a full makeover. The upgrades included new flooring in all common areas and hallways, new carpet in the bedrooms, new lobby furniture, new bedroom furniture and a total remodel of the bathrooms and kitchens.

This fall Grice will serve as overflow housing for full-time male residents and male commuters. These residents will be housed in single rooms throughout the dormitory and may share a bathroom with one other person. Short-term students will also be housed in either private or semi-private rooms.

Florida Dunnam Accommodations

The Florida Dunnam Campus does not have on-campus housing. The Seminary recommends several hotels in the area for students who are either commuting and need to stay a couple nights per week or are on campus for an intensive class. Please see the Florida Dunnam appendix at the end of this document for a listing of these hotels.
Commuter and Intensive Housing

Housing is usually available for commuter students or Intensive class students on the Kentucky Campus. Women and men are housed in the residence halls at reduced prices. Please refer to the housing section on oneATS for up-to-date rate information. Sometimes single occupancy options are available, but the majority of the time commuter and intensive students will have a roommate during their stay. Commuter students who stay throughout the semester will be required to buy a meal plan. Intensive students will be required to buy a meal plan during January terms but not for weekend or summer intensive classes. Please see the meal plan costs under Housing on oneATS.

Excessive Damage Policy

The Seminary expects normal wear and tear to occur while living in on-campus housing. However, excessive damages related to destruction, neglect, or vandalism will require the assessment of Excessive Damage Billing so as to hold residents, or resident groups, accountable for the costs required for any repairs. The application of Excessive Damage Billing is intended to reduce the frequency and dollar-amount of rent increases required to cover the cost of excessive maintenance reparation. Examples of excessive damage include, but are not limited to: writing and/or coloring on walls (or any permanent surface of the unit), holes and/or indentations in walls and/or doors, doors broken off of their hinges, torn window screens, cracked and/or broken appliances, broken drainage collectors and/or pipes, and long-term neglect of the unit and its common areas.

A representative of the Physical Plant will inspect an on-campus unit during the course of a resident’s checkout, or at the time of a routine maintenance call, to determine whether the unit contains excessive damages necessitating Excessive Damage Billing.

Discovery of Damages (During Checkout Process)

Two weeks prior to a resident’s checkout from on-campus housing, a representative of Student Services will conduct a preliminary walk-through and assess the unit for damages, excessive or otherwise. The resident will be notified of any notable damages and given the opportunity to repair and/or replace any necessary items before the final checkout, which will be conducted by a representative of the Physical Plant.

Charges assessed through Excessive Damage Billing will first be withheld from the tenant’s initial housing deposit, which is equal to one month’s rent. Costs in excess of the housing deposit amount will be charged to the student’s account.

A student graduating from Asbury Seminary will not be eligible to receive his/her diploma until he/she has completed the on-campus housing checkout process. The move out policy allows graduating students to remain in on-campus housing for a maximum of two weeks after the date of graduation. Students will not be eligible to receive diplomas until check out is complete and all damages are paid in-full, if applicable.

Discovery of Damages (During Routine Maintenance Visit)

Excessive damages discovered during the course of a routine maintenance visit will be assessed to the resident or resident groups living in close proximity to the damage and will be charged to the appropriate student account(s). Excessive Damage Billing costs charged during the course of a student’s residence will not be taken from the tenant’s housing deposit.

Employment Assistance

Asbury Seminary does not make any guarantees of employment or salary to its students upon graduation. The school commits to provide students with placement assistance, which will consist of identifying employment opportunities and advising them on appropriate means of attempting to realize these opportunities.

Student Council

Each geophysical campus is represented by a council. This council is in place to provide a voice for the student body by their peers on important student matters concerning the Seminary. Please see the campus appendix for further information concerning student government on your campus.
Financial Aid
Financial Aid

The mission of the Financial Aid Office is to deliver institutional and governmental financial aid in the most efficient manner possible to meet the financial need of students who are part of “a community called to prepare theologically educated, sanctified, Spirit-filled men and women to evangelize and to spread scriptural holiness throughout the world through the love of Jesus Christ, in the power of the Holy Spirit and to the glory of God the Father.” This is accomplished in compliance with the policies and goals of the Seminary and the regulations of the Department of Education, Department of Homeland Security and Department of State.

Office Overview

Asbury Theological Seminary is dedicated to aiding students in completing their seminary education. The Financial Aid Office makes every effort to help students identify sources of financial assistance. Most students utilize multiple sources of income to finance their education: personal savings, scholarships, church/conference funds, foundations, federal student loans and part-time employment. Each student should formulate a tentative plan for financing his/her seminary education. Although the exact plan may be tentative at the beginning, the student should have a clear understanding of the expenses involved, the available sources of income for the first year, and a reasonable plan for financing subsequent years.

The Financial Aid Office is located on the third floor of Larabee Morris Building. The Larabee Morris Building also houses the offices of Admissions, Student Services, Registrar, and Academic Advising, offering a one-stop shop for students who have need for these departments. If you are unable to stop by the Financial Aid Office, email financial. aid@asburyseminary.edu or call 859.858.2319 for assistance.

The Financial Aid Office is structured so that students work with an individual financial aid coordinator from the time they are a prospective student until the time they graduate. The financial aid coordinator is available to help with the student’s aid package, assist the student with financing tips and strategies, and to advise the student in relation to all financial aid matters. Financial aid coordinators’ work loads are based upon the alphabet, with one coordinator working with the students whose last names begin with A-K and the other coordinator working with the students whose last names begin with L-Z.

Annual Financial Aid Packets

Financial aid packets are emailed to applicants, newly admitted students, and returning students in December of each year, and on a continuing basis to new applicants. The Asbury Theological Seminary financial aid application serves as the initial application for scholarships for all U.S. citizens and eligible non-citizens. The Free Application for Federal Student Aid (FAFSA) is also a prerequisite for all graduate level scholarships and federal aid for U.S. citizens and eligible non-citizens. The international student questionnaire serves as the initial application for international scholarships. Students must reapply for aid on a yearly basis by completing these forms. Scholarships are awarded on a one-year basis based on the guidelines and available funding of each scholarship. Information concerning scholarships and loans can be found on the seminary website or in the Academic Catalog.

Please check with your financial aid coordinator for any important dates and scholarship details.

Federal Work-Study Program

The Federal Work-Study program provides part-time jobs for students with financial need as determined by the Free Application for Federal Student Aid (FAFSA). Students work up to 20 hours per week during periods of enrollment or up to 40 hours when not attending classes. Work-study positions are paid at minimum wage. Paychecks are issued every two weeks. An institutional employment application must be filed with human resources.
Satisfactory Academic Progress

Federal regulations mandate that all students make satisfactory, measurable progress towards a degree in order to receive financial assistance through federal student aid Title IV programs. Satisfactory Academic Progress (SAP) consists of three components measured by qualitative and quantitative progress; these are GPA, pace, and maximum timeframe. Students must meet the following standards to achieve SAP.

These standards are for financial aid purposes only and neither replaces nor overrides the academic policies of Asbury Theological Seminary. Satisfactory academic progress will be reviewed annually at the end of each spring semester.

QUALITATIVE PROGRESS—Cumulative GPA

The required GPAs (based on a 4.0 scale) for degree programs are as follows:

<table>
<thead>
<tr>
<th>Degree Program</th>
<th>GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>M.A./M.Div.</td>
<td>2.0</td>
</tr>
<tr>
<td>D.Min.</td>
<td>3.0</td>
</tr>
<tr>
<td>D.Miss.</td>
<td>3.3</td>
</tr>
<tr>
<td>Th.M./Ph.D.</td>
<td>3.3</td>
</tr>
</tbody>
</table>

QUANTITATIVE PROGRESS—Cumulative Pace

In order to achieve quantitative SAP, a student must earn 75 percent of the coursework he/she attempts. For example, a Master of Divinity student who attempts 24 credit hours during an academic year must earn at least 18 of those hours in order to meet quantitative standards.

Maximum Time Frame for Degree Completion

Students are expected to complete their program within a maximum time frame as determined by the Seminary. Maximum time frame for degree completion is determined by evaluating the cumulative percentage of attempted hours vs. degree hours. A student’s total cumulative attempted hours may not exceed 133 percent of the minimum hours needed to complete his/her degree program. For example, a student working towards a Master of Divinity degree consisting of 96 credit hours of required coursework may not attempt more than 127 hours.

All prior work counts towards SAP, not just those years in which the student is receiving federal student aid.

Note: For students who earn multiple degrees at Asbury Theological Seminary, Advanced Standing with Credit will count towards both attempted hours and earned hours for the degree program the student is currently in if the advanced standing was granted after the student’s most recent Asbury Seminary graduation date within the same level of degree (graduate vs. postgraduate).

Failure to meet SAP requirements

SAP will be reviewed annually at the end of each spring semester. Students who do not meet the stated SAP requirements will no longer be eligible for federal financial aid and will be notified via his/her Asbury Seminary email account. In order to regain eligibility, students may do one of the following:

1. Submit a SAP appeal for approval OR
2. Attend subsequent semester(s) at student’s expense until SAP standards have been met.
SAP Appeals

Students may submit a SAP appeal if their schooling was adversely affected by one of the following situations:

1. Death of a family member
2. Injury or illness of the student, including both physical and mental illness
3. Other extenuating and unforeseeable circumstances

Within the SAP appeal, students must submit

- Supporting documentation of the situation which caused the student to fall below the minimum standards
- Written explanation of what has changed which would allow the student to successfully progress in his/her studies AND
- Specify what measure(s) are being taken to ensure academic progress will improve if the appeal is granted

Students whose appeal is approved will be placed on financial aid probation for ONE semester and will be permitted to receive federal financial aid. At the conclusion of the immediate semester, the student’s academic progress will be reviewed to determine if the student is meeting the conditions of their appeal as set forth by the SAP Appeal Committee. If the student fails to meet the conditions of the appeal, he/she will forfeit eligibility for federal financial aid until SAP standards have been met.

SAP appeal forms are available from the Financial Aid Office. Appeals will be reviewed by the SAP Committee and decisions will be communicated to the student via his/her Asbury Seminary email account.

Visa Information from Beginning to End

**Step One: Understanding Your Immigration Documents**

For many students, the difficult part of entering into seminary is over after the school accepts them. However, for International students the difficult section of passage is just beginning. To study in the United States, a student must have four important documents to prove his/her legal foreign student status: passport, I-94, I-20 or DS-2019, and visa.

1. **Passport:** A passport is used by foreign governments and the U.S. government to identify a student as a citizen of his/her country. A student’s passport must remain valid at all times. It is not allowed to expire. Visitors traveling to the United States should have a passport valid for six months beyond the period of their intended stay. A student may renew a passport by contacting his/her Embassy/Consulate within the U.S.

2. **I-94 Entry Permit:** The I-94 Admission number is a record of your entry and exit from the United States. It contains your visa classification (F-1, J-1, F-2, J-2) and the expiration date of your authorized stay in the US. When you arrive by air, an I-94 admission number will be electronically assigned to you. You can later retrieve the official record of this number by going to the following website: www.cbp.gov/I94 and entering your personal information. Once inside the US, you will need this I-94 Admission number for various things such as, applying for a Driver’s License, Applying for a Social Security number (if employed) and other things.

   If you arrive through a land border such as Mexico or Canada, you may receive a paper version of the I-94 card. You will fill this out at your port of entry. It is recommended that you staple the I-94 to your passport to prevent losing it. The cost to replace a lost or stolen I-94 is $330.

3. **Form I-20:** Certification of Eligibility for F-1 Visa and DS-2019: Certificate of Eligibility for Exchange Visitor Status (J-1 Visa).
   a. I-20: The I-20 certifies that the student is eligible to receive an F-1 Visa from the U.S. Government. The Manager of International Services issues these upon Financial Certification. The official name on seminary records and ID must match name on passport and I-20.
   b. DS-2019: The DS-2019 certifies that the student is eligible to receive a J-1 Visa from the U.S. Government. The Manager of International Services issues these upon Financial Certification.

4. **Visa:** A visa normally is a stamp placed in the student’s passport by an official of the United States (or the country he/she is entering) permitting entry. The student must have a valid visa to enter the United States. However, unlike a passport, once in the U.S., a visa is allowed to expire.

Once the student learns and understands each of these important terms and documents, he/she should take the second step, showing eligibility for his/her I-20/DS-2019. The Seminary is here to walk with each student on this journey.

**Step Two: Show Eligibility**

To receive an I-20 or DS-2019, a student must be approved as eligible, which means that the student must show how they will fund their Seminary experience. This is called Financial Certification. Whether the student has the resources already or somebody else who will sponsor them has the resources, the student’s responsibility is to show the Manager of International Services how they will fund their degree. Once this paperwork has been approved, the student will receive an I-20 or DS20-19 document in the mail.

**Step Three: Enter SEVIS (Student and Exchange Visitor Information System)**

The Manager of International Services enters the student’s information into the SEVIS system as the I-20 or DS-2019 is being created. SEVIS is a national tracking/monitoring system that will allow the U.S. government to record various events during the student’s program of study such as travel or holiday. SEVIS requires a fee that every student must pay in order to apply for a visa. Students can pay the SEVIS fee or receive more information at www.fmjfee.com. Once the SEVIS fee has been paid, the student can print the receipt (I-901) as proof of payment.

**Step Four: Applying for a Student Visa**

Now the student is ready to apply for a student visa. However, before beginning this process, the student must be committed to following all the regulations related to his/her visa status. Violations of status will put the student’s visa and their residency here at risk. The student can learn more about the regulations in the section below marked, “Life at Asbury: Visa Regulations.”
The Seminary is here to help each student complete his/her goal of following God's call to Asbury Seminary.

When a student receives his/her Certificate of Eligibility (I-20 or DS-2019), they will need to make an appointment with the nearest United States Consulate or Embassy. Although the student can apply at any U.S. Consular office abroad, it might be more difficult to qualify for the visa outside the country of the student's permanent residence.

Students should apply for student visas well in advance of the date they would like to depart for Wilmore, Kentucky. Each student should remember that they are required to show proof of having paid the SEVIS Fee (I-901) at his/her visa interview.

The summer period is very busy at U.S. embassies and consulates worldwide, and it is important for students to have their visas in time to arrive at least five days before orientation, which is usually in the last week of August or January, depending on the term in which they are enrolling. However, since there are many tasks for students upon arrival, the Seminary suggests arriving at least two weeks before orientation but no more than 30 days before the program start date. Regulations prevent students from coming any earlier.

Appointments are now mandatory for all student visas, and some U.S. embassies and consulates require that appointments be made at least four to eight weeks in advance. All U.S. embassies and consulates have a website where the latest information on visa procedures can be found. Students can visit: http://travel.state.gov to locate the embassy or the nearest consulate. For information on waiting times for student visa appointments, students can visit the following link: http://travel.state.gov/visa/temp/wait/wait_4638.html

What students should bring to the Visa Interview:

- Passport
- Required photo(s)
- Visa fee or proof of visa fee payment
- SEVIS Fee (I-901) payment receipt ($200 for F-1 student; $180 for J-1 Exchange visitors)
- U.S. non-immigrant visa application forms (unless student will complete it at the consulate or embassy)
- Asbury Theological Seminary admission letter
- Asbury Theological Seminary SEVIS I-20 or SEVIS DS-2019
- Test scores and academic records
- Proof of English proficiency
- Proof of financial support
- Evidence of ties to student's home country
- Any other documents required by the embassy or consulate

Visa Denial or Visa Delay

The majority of Asbury Theological Seminary students will be successful in obtaining their student visas. Despite this, a small number of students might have their visa applications denied.

The most common reasons for visa denial are as follows:

- failure to prove sufficient ties to home country; or
- failure to provide sufficient evidence of financial support.

The visa officer must verbally inform the student of the reason for the visa denial. If a student's visa is denied, they can send an email message to financial.aid@asburyseminary.edu and provide the date and location of the visa interview and details regarding the reason given by the visa officer for the denial. The student should also notify the Seminary if he/she is subject to a security check and the check is not completed in time to arrive for the scheduled semester.

Once the student has obtained his/her visa, the Seminary needs to be contacted. The student will then be ready to make travel arrangements to the U.S. Congratulations! At this point, students are almost ready to begin their studies at Asbury Theological Seminary. The Seminary looks forward to your arrival.
US-Visit Entry/Exit System

“US-VISIT” is a U.S. Department of Homeland Security program that monitors the country’s entry and exit system. It enables the United States to effectively verify the identity of incoming visitors and confirm compliance with visa and immigration policies.

Upon Arrival

At an airport or seaport, travel documents such as a passport and visa will be reviewed and a U.S. Customs and Border Protection Officer will ask specific questions regarding the visitor’s stay in the U.S. Please travel with your original I20/19 or 2019. It will be needed for review at your port of entry.

As part of the enhanced procedures, students will have a minimum of two fingerprints scanned by an inkless device and a digital photograph taken. All of the data and information is then used to assist the border inspector in determining his/her status. These enhanced procedures will add only a few seconds to the overall processing time.

When student’s leave, they will again scan their travel documents and give fingerprints on the same inkless device. The system is intended to validate their identity, verify their departure, and confirm their compliance with US immigration policy. Compliance with these new security procedures is critical because the exit information will also be added to the student’s travel record to protect his/her status for future visits to the United States.

Special Registration Requirements for Certain Non-Immigrants

There are requirements for some foreign nationals to go through the special registration process upon arrival in the United States and to report to U.S. Customs and Border Patrol (CBP) inspection before leaving the country. Foreign nationals from Iran, Iraq, Libya, Syria, the Sudan, Pakistan, Saudi Arabia and Yemen are required to register at ports of entry. Foreign nationals from all other countries are registered if Customs and Border Protection Officers deem it necessary based on initial questioning upon arrival.

Department of Homeland Security Regulation

Maintaining Your Status

Students on F and J visas are admitted for “duration of status.” It is the student’s responsibility to do everything to remain in status and to be sure that his/her dependents also remain in status. Each visa and each category within that visa classification has specific criteria for what is required to maintain good visa status. One of the most serious visa violations is unauthorized employment. The requirements for employment authorization depend on numerous factors. Employment and other issues are very complex. (For a list of status issues go to: http://www.ice.gov/sevis/SEVISFactSheet.htm)

Therefore, it is the student’s sole responsibility to be informed about what it takes to maintain good visa status. The ultimate definition of what is required to maintain good visa status is dynamic (constantly changing) and the most up-to-date information can be found on the Department of Homeland Security site [http://www.dhs.gov/dhspublic/], the U.S. Customs and Immigration site [http://www.uscis.gov/graphics/index.htm], the Department of State site [http://www.state.gov/], and the SEVIS site [http://www.ice.gov/sevis/index.htm].

The Manager of International Services functions in an advisory capacity for the students and scholars. The manager serves the Seminary and the students by (1) keeping up-to-date on the daily and weekly changes; (2) advising all of the aforementioned persons; and (3) advising international students on how to get here and how to maintain good visa status. Therefore, it is critical that international students see and check with the manager before doing anything that might affect their visa status.

Requirement to Keep Your Passport Valid

A student’s passport must be valid at all times. Renewal applications must be made with the Embassy or Consulate of the country issuing the passport. Students will need a certification of student status from Asbury Theological Seminary (this can be obtained from the Registrar’s Office). Addresses of embassies and consulates are available from the US Department of State website at: http://www.state.gov.

Requirement to Report Address Changes to the Manager of International Services

Students are required to report any address change to ATS within 10 days of the address change. This includes address changes of any of the student’s dependents as well. However, it is best for students to see the Manager of International Services BEFORE MOVING, to determine if a move will have any consequences for his/her student status.
Requirement to Maintain Status as a Full-Time Student
Students are required to pursue a full course of study during normal enrollment periods. Full time at Asbury Theological Seminary is nine credit hours per semester. Students are allowed to deviate from this full course of study only with PRIOR authorization from the manager, and only under very limited circumstances.

Requirement to Report Departure Date and Reason to the Manager
For a variety of reasons, students leave Asbury Theological Seminary early or unexpectedly. Some of these reasons include graduation, leave of absence, suspension, expulsion or family emergencies. Students are required to inform the manager if they plan to leave the Seminary, and the reason for doing so. They can do this by completing the SEVIS Update Form found in the Financial Aid and Non-Immigration Services office.

Requirement to Abide by Employment Regulations
Students may work no more than 20 hours per week on campus while school is in session. These 20 hours include the work done for an assistantship, if the student has one. Students are not permitted to work off campus without receiving PRIOR authorization from the U.S. Federal Government and/or the Manager of International Services depending upon their visa status type. Employment possibilities are very limited. Students may work full time during scheduled breaks (i.e., summer).

J-1 exchange visitors must have written authorization from the Manager of International Services prior to employment on campus or off campus. This authorization is valid for up to one year. It is the student’s responsibility to renew this authorization.

Requirement to Give Notice of Intent to Attend Another School
If a student decides to attend another school in the U.S., he/she must notify the manager of International Services of the intent to transfer and the name of the school to which he/she intends to transfer. This is done using the “Request to Transfer” form found in the Financial Aid and Non-Immigration Services office. The manager will then enter a “Release” date in SEVIS (usually the day the current term ends). After this date is reached, the new school can issue an I-20 or DS-2019. The student will then have to report to the Designated School Official/Responsible Officer at the new school within 15 days of the program start date in order to complete the transfer.

Requirement to Apply for an Extension of Program
Students must apply for an extension of their program 30 days prior to the expiration date on their Form I-20 or Form DS-2019 if they cannot complete the program by that date. Requests for extensions should be submitted to the Manager of International Services prior to the expiration date on the Form I-20 or Form DS-2019 so the extension process can be completed before the expiration date on the student’s document. Students must follow the instructions found in the Manager’s office.

Requirement for Changing Your Academic Program or Degree Level
Students must obtain a new I-20 or DS-2019 if they change their academic program from one degree level to another (e.g., from Master’s to Doctoral level) or one major/field of study to another (e.g., from Master of Arts to Master of Divinity). The students must receive a new I-20 or DS 2019 from the Manager of International Services within 15 days of beginning the new program/degree level. Students must follow the instructions from the Manager.

Requirement for Receiving Authorization to Travel
Students must notify the Manager of International Services prior to traveling outside the U.S. so that the I-20 or DS-2019 can be endorsed for travel or a new form can be issued, if required. Students and scholars must complete and submit a “Travel Request Form” at least five working days prior to the anticipated travel date, although students are strongly encouraged to submit the form even earlier. When buying an airline ticket or making other arrangements for travel, students can submit a request for a travel letter. The form can be found in the Registrar’s office. These forms can be completed at any point in time up to at least five working days prior to the anticipated travel date.

Requirement to Provide Documentation of Dependents
Students must notify the Manager of International Services of any accompanying dependents in F-2 or J-2 status and provide biographical information (e.g., full name, address, country of birth, etc.) and non-immigrant visa information (e.g., passport information, visa information, etc.) regarding those dependents. The manager is required to report information to Bureau of Citizenship and Immigration Services and/or Department of State regarding the student’s dependents.

In addition, students must inform the manager of the birth of any new family member during their F-1 or J-1 status. This information is essential to keeping the student’s file accurate and up-to-date.
Tax—Income Tax

All U.S. residents, including all international students, must file income tax returns by April 15 each year. Students must use the form 1040NR-EZ or form 1040NR and form 8843. Form 8843 must be completed even if student owes or is owed nothing. Students are required to file an income tax return even if they have no income from U.S. sources, or if their income is exempt from U.S. taxes due to treaties between the U.S. and their home country. The forms are available for free at the local post office and also at public libraries in Nicholasville and Lexington during tax season; these may be downloaded from http://www.irs.gov. Access is provided annually to international tax software (CINTAX) and a tax workshop is held in February or March, to answer questions and provide instruction on completing the proper tax forms.

Some students will need to pay income tax on their stipends if paid by a scholarship. Monies received in scholarship fund above tuition costs will be taxed at a 14% rate. The Seminary will pay these taxes on the student’s behalf from his/her student account. It is the policy of Asbury Seminary to pay taxes on behalf of all international students. If your country has a tax treaty with the U.S., you may attempt to seek a refund of these funds by filing the appropriate tax form. This will cause a debit on the student account which the student will be responsible for paying. Students who have been in the United States for a minimum of five years are responsible for reporting and paying this tax themselves as it will not be paid by Asbury Seminary on their behalf.

IMPORTANT NOTE

This information is not exhaustive and is subject to change without notice. International students should contact the Manager of International Services at 859.858.2386 with questions on any of the information presented above.

The responsibility for maintaining a non-immigrant status is up to each student.

Florida International Students, please contact 407-482-7570 for assistance.
Office of the Registrar
Office of the Registrar

Advising

The Office of the Registrar offers academic advising for graduate students at Asbury Theological Seminary. Academic advisors assist students by interpreting academic policies and procedures as they apply to each student’s particular degree program and specific call to ministry.

Advisors are here to help students with the following:

- Receive clearance for registration.
- Make appropriate course selections and sequencing choices for the student’s degree.
- Fulfill prerequisites in a timely manner so that the student can secure upper level class registrations when necessary.
- Interpret online registration procedures and the waitlist process.
- Remain aware of important enrollment and registration issues affecting the student’s program.
- Monitor critical academic deadlines and dates.
- Understand late add/drop penalties and procedures, and help the student plan to avoid these.
- Navigate the process of applying for transfer and/or advanced standing.
- Strategize ways to meet the student’s degree residency requirements.
- Develop a healthy strategy for balancing the demands of ministry, work, family and school commitments.

Meeting With Academic Advisor

Prior to obtaining 30 credit hours, a student must meet with his or her advisor once per semester. This meeting can take place by phone, email or in person. After earning 30 credit hours, meetings are not mandatory. However it is strongly suggested that students update their advisor each semester of their academic plans. This helps the office maintain an accurate understanding of a student’s academic and ministry goals.

The Office of Academic Advising is part of Asbury Theological Seminary’s Registrar’s Office. On the Kentucky Campus, the office is located on the 2nd floor of Larabee–Morris Hall.

On the Florida Dunnam Campus, the office is located in the main building on the first floor, in suite 109.

Appointments

Drop-ins are welcome but availability can only be guaranteed if an appointment has been scheduled. Students may call or email to arrange an appointment. On the Kentucky Campus, a student may also sign up for an appointment on the bulletin boards outside the Advising Office suite. On the Florida Dunnam Campus, students should contact liz.castro@asburyseminary.edu or call 407-482-7570.

Registration

Students must register within the specified time as assigned by the Registrar and do so on their Asbury Information System registration page. Registration clearance from the student’s academic advisor or postgraduate faculty advisor/mentor is required each registration period. Arrangements for financial payment must be made by the term payment due date. An additional fee is assessed for late registration and late payment.
Registration Changes

Prior to the add/drop deadline for a term, students may drop and add courses without penalty on the Asbury Information System. After the add/drop deadline, the Office of the Registrar must be notified in writing for any registration change.

Any course dropped after the sixth week of the semester will receive a grade of “F.” Lack of attendance does not constitute a dropped course. Please contact the Office of the Registrar to drop a course after the add/drop deadline. A fee will be assessed for late changes.

(See also the Financial Information section of the Academic Catalog for the refund schedule. Note particularly that the refund schedule applies only to full withdrawal. There is no refund for individual courses dropped beyond the change of registration period.)

Withdrawal from Classes

Students may drop and add classes without penalty during the add/drop period:

• Fall, spring and summer semesters, through the first week of classes;

Students withdrawing from courses after the add/drop period will receive a grade of “WD” (withdraw) on their transcripts, provided they meet the deadline for withdrawal:

• Fall, spring and summer semester courses, through the end of the sixth week of classes;
• Intensive courses, equivalent of the sixth week of classes, with one day equaling three weeks in a semester.

After these posted deadlines, a grade of “F” will be assigned to the course from which the student has withdrawn. See the academic calendar for specific deadline dates throughout the year and the financial information section for the tuition refund schedule. Note particularly that the refund schedule applies only to full withdrawal. There is no refund for individual courses dropped beyond the change of registration period.

Withdrawal from Seminary

A student who, for any reason, finds it necessary to withdraw from school at any time other than at the close of a term is required to obtain official approval. Permission to withdraw shall be secured from the Office of the Registrar.

A grade of “F” shall be recorded for all courses from which a student withdraws without permission or after the deadline stated in this handbook. A student who withdraws from Asbury Theological Seminary and later decides to return as a student will be required to reapply for admission. Lack of attendance does not constitute a withdrawal.

Course Load and Enrollment Status

For M.A., M.Div., Th.M., and D.Miss., students, full-time status is defined as nine credit hours of coursework per semester. Half-time status is defined as five to eight credit hours of coursework per semester. Less than half-time status is defined as less than five credit hours per semester. For Ph.D. students, full-time status is defined as 6 credit hours of coursework per semester. Half-time status is defined as three to five hours of coursework per semester. Less than half-time status is defined as less than three credit hours per semester. The January and summer terms remain non-mandatory terms of enrollment.

Enrollment status for the January term is as follows: full-time status is defined as three credit hours of coursework; half-time status is defined as two credit hours of coursework; less than half-time status is defined as one credit hour of coursework. For D.Min. enrollment status information, please contact the Registrar’s office. For the financial aid policy on satisfactory academic progress, see the financial information section of the academic catalog.

The semester course load for active M.A., M.Div., Th.M., D.Miss., and Ph.D. students in good academic standing will be limited to 14 credit hours. The course load for the January term is limited to four credit hours. The summer semester course load is limited to 12 credit hours. Exceptions may be made for Th.M., D.Miss., and Ph.D. students, but the request must be submitted to the director of postgraduate studies for approval prior to the beginning of the coursework.

Christian Formation Process (CFP)

Every life has its rhythms. Some seasons seem to demand break-neck speeds, while other times invite a slower, saner pace. Formation of the spiritual life need not be left up to external circumstances (http://asburyseminary.edu/students/cfp/about/you-are-here). We learn from the history of God’s people that the way we make sense of and prioritize our time, may make the difference between lives that are flourishing or floundering.

Here at Asbury Theological Seminary, we have shaped a formative path designed to undergird the academic experience. We call it, “CFP” (http://asburyseminary.edu/students/cfp). The Christian Formation Process (CFP) is not a mentoring relationship or a discipleship opportunity. It is a series of intentional “pauses.” They are five reflective moments designed to slow us down.

Theologically, we view the five moments as “spiritual pauses.” From the very beginning, “rest,” (or the Latin phrase, “pausis,” from which we get the word “pause”), was one of the practices to which God invited humanity, as a means to be like Him. Throughout the Scriptures, these pathways to grace and formation come to us as offers. What Wesley called “means of grace” become doorways through which God promises to meet us when we avail ourselves of them.

In the CFP, we have fashioned several pauses, which allow each of us to take stock of where we are on the path and even how we are traveling. In an introductory video (http://asburyseminary.edu/students/cfp/about/structure-timeline), we play with the metaphor of the “speed bump” to describe five moments along your formative path at the Seminary. Although a speed bump can be seen as an unwelcome impediment to a fast-moving life, these pausing points are necessary to slow you down, encourage reflection and open up conversation about those reflections with a faculty or staff member here at Asbury.

Keep in mind: A speed bump is only an aggravation to the person who is going too fast for the safety of self and others. While we, as an institution, might prefer that all members of our community choose to accept such an invitation for pauses without the requirement of an external system, our experience reveals that unless we are required to slow down, oftentimes we do not. For these reasons, we outline the following points of pause, or spiritual speed bumps, if you will, along the path of your formation here:

Disability Accommodation Policy

Asbury Seminary seeks to provide an optimal opportunity for success for qualified students with disabilities without compromising the caliber of instruction or the self confidence of the learner.

The Americans with Disabilities Act of 1990 (ADA) prohibits discrimination against individuals with disabilities. The following policy statement describes the procedures the Seminary will follow in providing reasonable accommodations to persons with disabilities:

Prior to admission into a particular degree program, an applicant should arrange an interview with the Accommodations Officer in the Office of the Registrar to discuss how projected accommodations will interface with degree program requirements.

A student having a disability requiring accommodation must provide the Seminary with documentation from a specialist certified to diagnose the particular disability.

1. The documentation provided by a physician or a certified psychologist must indicate the type of disability and recommended accommodation.
2. The diagnosis must be not more than three years old. More current documentation may be required on a case-by-case basis.
3. It is the student’s responsibility to inform the institution through the accommodations officer of his or her disability and of the need for accommodation. Such disclosure should be done no later than two weeks before the first day of classes for any academic term.
4. Documentation of disability must be submitted to the accommodations officer two weeks prior to the first day of classes for which the student is requesting accommodation. The accommodations officer will keep the documentation in a separate file.
5. The accommodations officer, upon review of the relevant documentation of the disability, will determine reasonable accommodation in each particular case and for each individual class. The student and relevant professor may be consulted during this process.
6. An accommodation request that is not among the list of approved reasonable accommodations will be reviewed by the accommodations committee. In such cases, the accommodations committee will determine reasonable accommodation.
7. The accommodations officer will communicate to the relevant faculty member, the Registrar and the student, elements of accommodation for each particular class.
8. Requests for accommodation must be made each term. The student must make this request in writing no later than two weeks before the first day of classes, and present this written request for accommodation to the accommodations officer.
Family Educational Rights and Privacy Act of 1974 (FERPA)

In accordance with federal law, students are hereby notified that they have the right to inspect and review any and all official records, files and data pertaining to them, including all materials incorporated in their cumulative record folder. Official student records are kept on the Kentucky Campus, and therefore may only be viewed at this location.

Students may only view their academic record files after submitting a request in writing to the Office of the Registrar. Students have the opportunity for a hearing to challenge the contents of these records to ensure that they are accurate and not in violation of any of their rights.

Students also have the opportunity for correction, amendment or supplementation of any such records. The only information that may be given concerning the student will be directory information as defined in the act, unless the student has specifically waived his/her rights within this act. Directory information may include the student's name, address, telephone listing, date and place of birth, major field of study, participation in any recognized club, organization or activity, church relationship, spouse, academic classification, degrees, awards and the most recent previous educational institution attended. Should a student desire that the Seminary not disclose any or all of the foregoing information, he/she must notify the Registrar in writing within 30 days of the commencement of the term or semester he/she is entering the Seminary or within 30 days of the commencement of any fall semester.

Students with questions concerning their rights within this act are urged to contact the Vice President for Academic Affairs.

Statement on Plagiarism

Academic Integrity

Asbury Theological Seminary is committed to intellectual, spiritual and moral growth with the pursuit of truth and knowledge as an indispensable goal of the academic community. Knowledge leading to wisdom is a necessary means to faithful and effective mission and ministry, including the spreading of scriptural holiness, which greatly increases the importance of integrity of heart, mind and life.

Faculty and students share equally in the responsibility of maintaining the standard of academic integrity as a part of their commitment to truth. Thus, any action that does not maintain academic honesty and scholarly integrity is a violation of community trust and expectation and compromises the character needed for ministry.

In addition to maintaining integrity in their own academic pursuits, faculty have the responsibility and obligation to establish and clarify academic requirements for the work prepared by their students. Conduct that is considered dishonest includes: reusing previously and/or concurrently submitted material in another class without faculty permission, cheating by copying from another's work, allowing another to copy from one's own work, reading an examination prior to the date it is given without the instructor's permission and similar types of conduct. Unlawful duplication of copyrighted material such as music, library materials, computer software, as well as plagiarism are other examples of academic dishonesty. Plagiarism is the presenting of another's ideas or writings as one's own; this would include both written and oral discourse presentations. (Seminary guidelines related to acceptable duplication practice of copyrighted materials can be found at the library's circulation desk.)

In cases of suspected student plagiarism, the instructor should take steps necessary, including meeting with the student to determine whether plagiarism has in fact been committed. In cases of student plagiarism, the instructor, working in conversation with the Dean of the student's School has four options, depending on his or her judgment regarding severity and recurrence of the problem: (1) to provide an opportunity for the student to redo the same or comparable assignment, typically with the grade for that assignment penalized to account for the act of plagiarism; (2) to record a failing grade for the assignment in question; (3) to fail the student for the course; and (4) to recommend to the Dean of the student's School that the student be dismissed from the Seminary. In every case of student plagiarism, a written report of the episode and of the disciplinary action taken should be submitted to and affirmed by the Dean of the student's School. Recurrence of plagiarism by a student will lead to the dismissal of the student from the Seminary. The student may appeal the decision of the instructor or the Dean through the academic appeal process, which is spelled out in the student handbook.

Statement on Inclusive Language

It is the policy of Asbury Theological Seminary to use inclusive or non-sexist language in all Seminary publications, literature and communications. The faculty of Asbury Theological Seminary has adopted the following statement recommending the use of nondiscriminatory language by all members of the Seminary community.
Rooted deeply within the history and heritage of Methodism is the active participation in the lifting of oppression in any form so as to extend and implement the freedom of the gospel to all whom God has created and seeks to redeem. The record of Wesleyans on behalf of women is impressive and honorable and should be furthered by the modern offspring of Wesley.

Language does make a difference. When terms create certain feelings, we respond to these feelings for the sake of fostering relationships. We do not bind ourselves to etymology or even historical usage, for history is always thrusting us into new situations and struggles. We are constantly adapting our language in order to be responsible and effective communicators.

Language does not create a problem nor does language solve a problem, but language may contribute to both sometimes in obvious ways, more often in quite subtle ways. It is the intent of the “Suggestions for Inclusive Language” to help sensitize the Asbury Theological Seminary community to some of the cultural problems related to using previously accepted gender specific references as generic terms and to provide help in moving beyond our present habits to more just expressions.

Course Preparation

Students in masters level courses at the seminary will normally expect to invest two and one-half (2.5) to three (3.0) hours of work per week outside of class in preparation for every hour of credit to be earned. In scheduling coursework, students should carefully consider time devoted to coursework, balancing this against time engaged in employment and other responsibilities.

1. Students enrolled in mentored ministry courses, in which usual expectations for outside coursework are less applicable, should expect to devote three to five hours per week outside of class for every hour of credit to be earned.
2. Students doing independent studies will contract for a minimum of 48 hours of work (including research and consultation with the faculty mentor) for every hour of credit to be earned.
3. Non-traditionally scheduled courses will have a minimum of 10 hours of contact time plus an expectation of at least 38 hours of preparation beyond these credit hours for every hour of graduate credit to be earned.

Class Attendance

The Seminary expects students to take full responsibility for their academic work and academic progress. To progress satisfactorily, students must meet the requirements of each course for which they are registered. Successful work depends to a large extent on regular class attendance.

Class attendance is an academic matter. Each faculty member will provide a written attendance policy for each class in the course syllabus and also go over that policy on the first day of class for the course. The use of attendance records in grading and handling excuses for absences is the responsibility of the faculty member teaching the course, subject to these guidelines:

1. Except as otherwise provided in Seminary policy, the following absences will be considered excused:
   a) Absences for imposed legal responsibilities (e.g., jury duty, court appearance) will be excused.
   b) Absences resulting from participation in extracurricular activities in which students are official representatives of the Seminary will be excused.
   c) Absences for serious illness, death or serious illness within the student’s immediate family, military obligations, or other sound reasons offered by the student may be accepted as excused absences at the discretion of the professor and consistent with applicable law.
2. Notwithstanding this list of excused absences, faculty may restrict the number of absences (excused and unexcused) allowed in a course when attendance is essential to meeting the objectives of the course. For such courses, the faculty member’s written attendance policy will explain:
   a) Why attendance and/or class participation is essential to the course’s objectives (e.g., students will be required to interact with others in the class, to demonstrate the ability to think and argue critically, and/or to participate in group projects);
   b) how many excused and unexcused absences will be allowed for the course; and,
   c) how may makeup quizzes and/or examinations will be allowed.
   d) Faculty members teaching such courses will keep accurate record of attendance for each student.
3. The issue of tardiness is left to the discretion of each faculty member, subject to the guidelines set out
above, and will be addressed in the written attendance policy for each course.

In Extended Learning (ExL) classes, a student is expected to login and participate in each module of the term for the duration of the term. A student is in attendance for a module if the student logs into the system at least one time and submits at least two postings in the online classroom. A module is a set period of time (e.g., 1 or 2 weeks in duration) that clusters content together as designed by the faculty.

Excused absences or tardiness do not excuse the student from class responsibilities. Faculty will make reasonable efforts to warn a student whose absences either place the student in danger of exceeding the maximum absences allowed for a course or seem to otherwise adversely affect the student's standing in the course.

It is the responsibility of students to know the attendance policy of each course they are taking. Students must inform their instructor(s) of absences from classes prior to or as soon as possible after the absence. Instructors have the right to request verification for all excused absences. Students are accountable for all assignments in each course, whether or not the assignments were announced during an absence. Faculty are encouraged to provide opportunities for students to make up examinations and other work missed because of an excused absence.

**Incomplete Work**

The official end of each term is 5 p.m. on the last day of the final exam week. The 5 p.m. deadline applies to handing in all course work. Each instructor may set an earlier deadline, but not a later deadline, for submission of any or all course work. The student must petition the Registrar for permission to receive an incomplete "I" grade and have the relevant faculty member's support. The petition must be received before 5 p.m. on the last day of the final exam week.

A grade of “I” denotes that course work has not been completed due to an unavoidable emergency. Delinquency or attending to church work or other employment does not constitute an unavoidable emergency. Without an approved “I,” a letter grade will be recorded based on grades received for completed work and an “F” grade assigned to incomplete work.

Incomplete grades shall be removed one calendar month prior to the close of the following semester unless an earlier date is designated by the Office of the Registrar on the individual petition. If the work is not completed by the time designated, the “I” shall be changed to an “F” unless a passing grade can be given based on work already completed or unless special permission is granted by the Registrar. Professors are required to give either a grade or an “I,” if approved, to each student registered for credit in a course.

Students with incompletes in two or more classes will not be allowed to enroll in a new semester or term without permission from the Registrar.

**Medical Leave Policy**

Students enrolled in graduate or doctoral degree programs may be allowed to take time off from academic studies for documented medical or psychological reasons as prescribed by a psychologist, physician or other properly credentialed health care provider. The application is as follows:

1. Application, with supporting health care expert documentation attached, must be approved by the Registrar, in consultation with the Provost.
2. Student must be in active student status.
3. Student must sign an agreement stating proper treatment will be received during medical leave.
4. Student must submit a statement, signed by a properly credentialed health care provider, clearing them to return to studies.
5. Medical leave can last a maximum of two years. The student can return without going through the readmission process. After two years, the student must apply for readmission.
6. Tuition refund will be determined by the refund policy in the current academic catalog, Financial Information sections entitled ‘Dropping courses’ and ‘Withdrawal from semester or Seminary.’

**Probationary Status**

Students admitted on academic probation are removed from probation after completing 25 credit hours of work with a minimum cumulative grade point average of 2.00/4.00 or higher.

A student is placed on academic probation when the cumulative grade point average falls below the adequate standard.
for graduation (2.00/4.00 for M.Div. and M.A. students; 3.00/4.00 for Th.M. and D.Min. students; and 3.50/4.00 for Ph.D. students). When placed on academic probation, course load is restricted and the student must meet with the Registrar prior to the next term’s registration. When the cumulative grade point average reaches the standard required for graduation, the student is removed from academic probation.

At the end of each semester, a student on academic probation is considered by the Office of the Registrar to determine future academic status. A student who remains below the minimum GPA required for graduation from his/her program for two consecutive terms is normally discontinued from the Seminary.

A student who makes a grade point average in a given semester, which is below the minimum for graduation (if allowed to continue in Seminary), may be required to take a reduced load during the following semester.

Graduation

The student is held responsible for updating his/her personal degree plan throughout the year and meeting all requirements for graduation, including applying for graduation before the deadline. December graduation application is required before the beginning of the final fall semester May graduation application is required before the beginning of the spring semester (see academic calendar for current application deadlines).

The May ceremonies on the Florida Dunnam and Kentucky campuses are for those students completing their last class in the spring term or before the end of August. A graduation ceremony is held on the Kentucky Campus in early December for students completing requirements in the fall or January terms. Students who do not complete requirements in the graduation term in which they applied must re-apply for graduation, complete all degree requirements and pay an additional graduation fee. Specific graduation requirements are listed in each degree program.

During the student’s last full semester, a graduation fee will be assessed to cover diplomas and other final processing costs. All graduates participating in graduation ceremonies must purchase academic attire through a provider designated by the Registrar’s Office. The cost of academic attire is separate from the graduation fee.

Any student unable to attend commencement must notify the Registrar in writing no less than two weeks prior to the ceremony. The trustees, upon recommendation of the faculty, reserve the right to deny a degree if, in their estimation, the student does not show character and personality indicating readiness for ministry.

Withdrawal from Classes

Students may drop and/or add classes without penalty during the add/drop period.

Students dropping any class after the add/drop period will receive a grade of “WD” (withdraw) on their transcripts, until the following deadlines each term:

- Fall, spring and summer full semester courses: through the end of the sixth week of the term
- All intensive courses: through the equivalent of the sixth week of classes (one day equals three weeks in a semester)

After these posted deadlines, a grade of “F” will be assigned to the course from which the student has withdrawn.

See the academic calendar for specific deadline dates throughout the year and the financial information section for the tuition refund schedule. Note particularly that the refund schedule applies only to full withdrawal. There is no refund for individual courses dropped beyond the change of registration period.

Withdrawal from Seminary

A student who, for any reason, finds it necessary to withdraw from school at any time other than at the close of a term is required to obtain official approval. Permission to withdraw shall be secured from the Office of the Registrar. A grade of “F” shall be recorded for all courses from which a student withdraws without permission or after the deadline stated in this catalog. A student who withdraws from Asbury Theological Seminary and later decides to return as a student will be required to reapply for admission. Lack of attendance does not constitute a withdrawal.

Community Formation
Community Formation

Kentucky Campus

Welcome to the Asbury Seminary experience: “Our purpose is that they be encouraged in heart and united in love, so that they may have the full riches of complete understanding in order that they may know the mystery of God, namely Christ, in whom are hidden all the treasures of wisdom and knowledge.” Colossians 2:2, 3.

For 86 years, Asbury Theological Seminary has sent forth people of a different spirit who have served the Church with distinction worthy of the Kingdom of God. Anchored in the ancient roots of the orthodox, apostolic Church, moored in Evangelical faith and planted firmly in the Wesleyan Arminian theological tradition, Asbury Seminary humbly carries the banner of Holy Love. What happens here has come to be known over the years as the Asbury Seminary Experience.

The Office of Community Formation stewards the communal life and spirit of Asbury Theological Seminary, shaping a transformational learning environment and experience and collaborating to catalyze the belonging and Christian formation of all its members.

Care Resources

Not uncommonly, students and families are faced with issues that require companionship and care. Spiritual direction, pastoral conversation, healing prayer and counseling support are available through the Office of Community Formation.

Philippian Fund

The Philippian Fund is supported by gifts from persons within the community who wish to provide financial aid to students experiencing unexpected or unusual hardship or loss. Requests may be made personally or on behalf of others to any Community Formation staff, who will channel the requests appropriately. Funds are not dispersed to pay normal household expenses.

Formation Ministries (FM)

The Formation Ministries arm of Community Formation supports students and student families, spouses of students, partners in marriage, and parents by creating spaces and services to provide practical and spiritual resources throughout the year. Small groups, women’s communion, free childcare for formational opportunities, home visits, and transition assistance are some of the initiatives of FM.

Formational Opportunities

Students are invited to participate in formational opportunities such as small groups, mission trips, formation mentoring, service projects, and celebrations. Engagement in current issues, justice and mercy initiatives, and intercultural investments are sources of reflection and learning.

Community Garden

The Community Garden aims to provide produce for every table in the Seminary community. Food is shared freely through U-pick, dining hall offerings, and gifts to local ministries and service groups. Individual plots are available to those who wish to grow their own food. The garden is a source of theological reflection and a place for connection and life-to-life sharing.

Asbury Seminary Healing Academy

The Healing Academy resources the seminary as a venue for healing and wholeness through co-curricular and practicum opportunities aimed at facilitating personal growth while teaching and training for a life of ministry. Applications for the 2-year Healing Academy program are accepted each spring with a new cohort beginning each fall. Any community members, including spouses of students, are welcome to apply.

Center for Soul Care

The Center for Soul Care is currently being developed as a hub of spiritual practices for the restoration, renewal, and growth of all who choose to participate. Retreats, discerning prayer times, pastoral conversations, and formation mentoring are some of the initiatives of the Center for Soul Care.
Florida Dunnam Campus

The Florida Dunnam Campus of Asbury Theological Seminary is committed to the faithful expression of the Asbury Seminary experience, which includes a community of worship, prayer, spiritual formation, chapel, small groups, global engagement, publications, counseling resources, and the Philippian fund.

Missions
Theological education as a missiological environment has been part of the vision for the Florida Dunnam Campus from the beginning. Expressions of this commitment include the annual Kingdom Encounter, a connection between worship and missions and short-term mission trips. The Campus also emphasizes missiology through the Christian formation program, as well as through mission-related components found in a number of courses.

Student Assistance
Students can receive help in addition to financial aid. Counseling and care resources are available. The Philippian fund assists students who face unforeseen financial emergencies. The Faculty provide formation guidance to those who connect in the Christian formation program.

Ecumenical and Multi-cultural Environment
Orlando is a major gateway city to the world and an exploding growth place for people from many countries. It is also one of the fastest growing areas of the nation for the Hispanic and African-American communities. Connected to that growth is an amazing array of denominational and parachurch organizations. The faculty, staff and student body reflect the diversity that is all around us, making the Florida Dunnam Campus a microcosm of the Kingdom of God. The Latino-Latina Studies program, the Justo L. Gonzalez center, and the Harry Hosier Institute are the primary, formal expression of this environment outside the regular degree programs offered on campus.

Historical Statement
Historical Statement

In 1923, several members of the faculty of Asbury College (now Asbury University) met with President Henry Clay Morrison to discuss the matter of evangelical theological education. Growing out of recognition of the need for a graduate theological Seminary committed to the historic Wesleyan interpretation of evangelical Christianity, plans were made for the organization of Asbury Theological Seminary.

Asbury Seminary officially opened in the fall of 1923. From 1923 to 1931, the Seminary was an integral part of Asbury College. In 1931, articles of incorporation were drawn up and the Seminary became a separate educational unit. In 1939, the Seminary moved to its present campus. Since 1941, Asbury Seminary has been an independent administrative unit, completely separate from any other institution.

Kentucky Campus Facilities and Services

New Student Orientation (NSO)
New students are integrated into the Seminary experience through a comprehensive orientation at the start of each semester. NSO takes place one week before classes begin in both the fall and spring semesters. This two-day event is hosted by the Office of Student Services. During NSO students are paired with Transition and Guidance (TAG) leaders and Transition and Guidance (TAG) groups who assist the new students in their transition into the Seminary community. The leaders of these small groups are students who desire to help new students get acclimated to campus.

During orientation students will attend presentations by the business office, financial aid and registrar that will better explain the services offered. Also included is a guided campus tour and welcoming worship service. NSO is a perfect introduction to the Asbury Seminary community and will enable all who attend to have an easier transition into seminary. Spouses are strongly encouraged to attend any NSO events including any meals and workshops. Childcare is provided in the Student Center Childcare Area for much of NSO so that the students can focus on their transition.

If interested in volunteering to help welcome new students and their families during NSO, please contact the Office of Student Services.

Seminary Post Office (SPO)
The Seminary Post Office is located on the first floor of the Henry Clay Morrison Administration Building. All students enrolled in degree programs are encouraged to sign up during operating hours for a mailbox in the SPO. Mail delivery is available for U.S. and intra-campus communications. United States mail is placed in the SPO mailboxes daily beginning at approximately 10:45 a.m. Intra-campus mail is put in the boxes throughout the day. The minimum size for intra-campus mail is three inches by five inches. Sherman Thomas Student Center
The Sherman Thomas Student Center, located on the Kentucky Campus, provides a place for rest, growth, study and learning through its various uses. This facility houses a complete Wellness Center including a gymnasium, weight room, cardio room, racquetball court, group exercise fitness studio, locker rooms, childcare area, conference areas and a comfortable lobby. The lobby area also doubles as an art space where art shows are rotated every few months on the lobby's walls. It is also the home to the Stanger Prayer Chapel, student lounge (lobby), the Student Council office and Stevens–Pike and Cordelia dining rooms, where lunch is served during the fall and spring semesters.

The Student Center is an excellent place to study, and students often take advantage of the free wireless Internet, iPads and comfortable seating provided in our lobby area. The iPads and sporting equipment are available on a first-come first-served basis at the front desk of the lobby. Our childcare area is open during chapel and all Spouse and Family ministry events. We welcome you to explore all that the student center has to offer.

Wellness Center Programs
Physical health is important to the seminarian as well as to the pastor, missionary or teacher. Studies show that mental and emotional stress is greatly reduced through physical exercise. This lifestyle established in Seminary years will translate into healthy patterns able to sustain health in ministry. Sustained wellness of the whole person is the goal of Asbury Seminary's Wellness program.

There is a variety of cardio and weight equipment for students to use. The Wellness Team also offers a variety of group exercise classes year round. Each semester the group exercise class schedule changes, so please contact the Student Center front desk for more information on the classes.

The Wellness Team also offers certified personal training services. Students work with trainers to design a program to meet
specific major health goals. The hope is that through one-on-one or small group attention with a trainer, participants will take a major step toward their health goals and gain momentum for momentum. Please contact the Student Center front desk for more information on personal training services.

Housing

J. Ellsworth and Janet Kalas Family Housing
The Asbury Theological Seminary community is very excited about its new family housing, which opened in the spring of 2010. The J. Ellsworth and Janet Kalas Family Housing development can house 150 student families. It is built to foster community among the residents, which Asbury Theological Seminary values as a key component to the development of its students.

Floor plans for 2-Bedroom, 3-Bedroom and 4-Bedroom units are available for download online at http://www.asburyseminary.edu/community/housing/family-housing/

Residential Hosts
A unique feature of Asbury Theological Seminary family housing is the Residential Host Program. There are nine hosts strategically placed throughout the development. The host couples are in a unique position to assist families in their growth and development as they ‘do life’ together. These couples will be on-site experts of all policies and procedures and will work to instill a deep sense of community among the residents of Kalas Village.

Lease
A rental lease for a minimum of 120 days will be signed before the student can move into the residence. Students may contact the Office of Student Services to view the lease.

Key notes concerning the lease

- A student must provide the Seminary at least thirty (30) days’ written notice when requesting permission to vacate the unit.
- Rent is due on the first day of each month and payable at the Seminary’s Business Office during its regular business hours. If payment is not received by the seventh day of the month, a $25 late fee will be applied to the student’s account.
- Student must be applied to the seminary before applying for housing. A family housing application and $100 housing deposit is required in order to be added to the waiting list.

Single Housing
Single Residence Housing
Students looking for single residence accommodations are placed in one of three residence halls. New students are provided a housing application upon admission to the Seminary; current students may request a housing application from the Office of Student Services. (Please note: there are different applications for the different types of housing, so be sure you are submitting the correct application for the type of housing you desire)

Students will be eligible to be placed in student housing after the application and a $100 deposit is received. The deposit is refundable up to the point that the student accepts an assignment.

Gallaway Village
Gallaway Village is our new single residence neighborhood located on the edge of campus. Each of our new residence halls can hold up to 46 men/women in single occupancy rooms. The rooms are arranged in apartment-like suites in which a student shares a living area and kitchen with three other students. Each student has his/her own bedroom and bathroom. The bedroom is furnished with a desk and chair, double bed, dresser, and a nightstand. The suite
common area provides a couch, chair, entertainment center, and kitchen table with chairs. Satellite television is provided in the suite common area, and the individual rooms are satellite-ready if students would like to purchase a satellite package.

Each residence hall provides wireless Internet throughout and Ethernet cables in individual rooms. The first floor offers a large common area, which features relaxed sitting areas, fireplaces, and areas for group meals. A laundry facility and study area are located on each floor. The Gallaway Village residence halls offer a unique opportunity for serious academic focus and formational community.

**Newton Grice (Men’s Residence Hall)**
Newton Grice is a newly renovated residence hall, which houses full-time male students, male commuter students and short-term residents. The rooms are arranged as suites so that a bathroom is shared between two rooms. Each suite opens into a common area that is furnished with couches, chairs and a flat screen television. Each room is furnished with a stackable bed, dresser, and a desk with chairs. All rooms are single occupancy. Each floor has two small kitchens for the students to share. The bottom floor has a large lounge, storage units, a full kitchen, coin operated laundry facilities and a prayer chapel.

**Commuter and Mini-Term Housing**
Housing may be available in the residence halls for students who commute to the Asbury Seminary Kentucky Campus on a regular basis during the semester sessions and who stay for up to four nights per week. Short-term stays may also be available for commuters, ExL students and other persons who take mini-term courses during January term (J-term) or one of the summer sessions. All such housing is limited and is available on a first-come, first-served basis.

For more information, contact the Office of Student Services:
800.2ASBURY, 859.858.2093, or single.housing@asburyseminary.edu

**Meal Plans**
Asbury Theological Seminary’s Dining Services is operated through a partnership with Pioneer College Caterers. The Stevens-Pike Dining Room (in the Sherman Thomas Student Center) serves lunch Monday through Friday during the academic year.

Full-time students living in one of the single-housing residence halls receive five weekly lunches at the Seminary Dining Hall at no additional cost. These meals are pre-loaded onto the student’s ID card and expire at the end of each week. Students wishing to upgrade their included meals, may do so at the following price points (prices are for the 2013-14 school year) by contacting the Office of Student Services (before drop/add each semester):

10 weekly meals or 125 block meals: $490
15 weekly meals or 165 block meals: $745

Weekly meals offer the most overall meals during the 14 week semesters (no meals are served during fall & spring reading weeks) but any unused meals expire at the end of each Monday-Sunday week. Block plans allow students the flexibility of using their meals at any point throughout the semester and can also swipe-in friends and family (up to a total of five swipes per meal). Lunch Monday-Friday must be taken at the Seminary regardless of upgrade. All other meals are served at Asbury University's Johnson Cafeteria.

Residents of Seminary family housing receive $150 in flex dollars (a declining balance account) per household, per semester (fall & spring), pre-loaded onto their student-ID. Additional flex dollars may be purchased at the cashier station at the entrance to the Dining Hall. Flex dollar purchases earn a 10% bonus, thus, a $50 purchase would result in $55 in credit. Flex dollars will roll-over from fall to spring in the same school year, but all unused flex dollars expire at the end of the spring semester.

Students not living in campus housing may pay cash at the door or purchase flex dollars which can be loaded onto their student ID. Door prices for 2013-14 are as follows: $6.75 for adults, $3.25 for children 6-11, and children 5 and under are free.

Hours of operation:
11:30 a.m.-1 p.m. Monday-Friday

Regular meal service is not offered during the summer. The student’s ID card functions as their meal card and must be brought to each meal to be swiped in order to eat.

For more information, including information on catering events, please contact the Director of Dining Services at 859.858.2295 or dining.services@asburyseminary.edu
Kentucky Campus Ministries and Programs

Healing Academy
Asbury Seminary, deeply rooted in the Wesleyan, Evangelical Holiness tradition of the Christian faith, has long been a place of healing and transformation for persons preparing for ministry. In order to accomplish our mission of preparing well trained, sanctified, Spirit-filled ministers, we aim to provide a context rich with resources for transformation and the healing of brokenness. The term “brokenness” denotes a full range of conditions, including physical, emotional, psychological, spiritual and social issues, which serve to create barriers to the receipt and appropriation of divine grace. In fact, a key dimension of the biblical term “equip” is the idea of mending. Owing to numerous cultural factors, not the least of which are deeply flawed approaches to family life and the devastating models of sexuality being advanced by mass media, the presence of all forms of brokenness are manifold. In addition to providing ways and means for her students to appropriate healing in their own lives, the Seminary must progressively offer the theological and practical resources required to equip and empower persons to be healing agents in the context of the local church and parachurch ministries.

With gratitude to the Dora Tes Basileas Foundation, we are pleased to announce the establishment of the Asbury Seminary Healing Academy whose purpose and intention is to:

- Enrich the nature of Asbury Theological Seminary as a community of healing, and
- Expand the nature of Asbury Theological Seminary as a community of practicing ministers/healers; through
- Providing an ongoing curriculum and co-curriculum designed to equip students, spouses and outside practitioners with the wisdom, dispositions and practical skills to engage in the ministries of Christian healing, and
- Offering a supervised practicum-oriented training school for the equipping and empowering of students and spouses for the practice of healing ministry within the seminary community.

The work of the Healing Academy is accomplished through the Office of Community Life on the Kentucky Campus. For more information about getting involved in the ministry of the Healing Academy contact Dr. Marilyn Elliott at extension 2033 or the Rev. Peg Hutchins at extension 2242.

New Room
The intention of New Room is to bring together small committed circles of friends who share life and engage in formational practices. The hope is that New Room groups become a source of belonging and spiritual formation for each member. New Room groups are not setup like traditional small groups in that there is no set curriculum to follow or a specific book to read. There is no “program” for forming instant community. Rather, New Room groups are about nurturing an environment where spontaneous, authentic community can emerge on its own. So, instead of following a set agenda, groups of friends come together every week to share life (and possibly even a meal... great things always happen around dinner tables) and engage in formational practices such as lectio divina, silence, prayer and conversation.

Groups are open to any person self-identified as Asbury Seminary community, so faculty, alumni, students, staff, spouses and friends of Asbury Seminary are welcome to join. If interested, please contact Global Community Development for more information.

Singing Seminarians
The Singing Seminarians (Singing Sems) is a choral group directed by Kerry Dorrell that performs concerts for special events and chapels. Membership is open to all students, spouses, faculty and staff. The choir meets Tuesday and Thursday from noon to 12:50 p.m. in FM 114. All interested persons are invited to attend the first three rehearsals, which begin the first Thursday of the fall semester. Contact david.keyworth@asburyseminary.edu for more information.

Intramurals
Intramurals are offered each semester and are organized by Student Services office. Sports offered include volleyball, basketball and softball. Each sport is played twice a year—one season each full term (fall/spring). Team sports are divided up via a draft. Once signed up, participants will receive an email from the team captain about game times once the draft has been completed.

The sign-up sheets will be posted in the main hall of the Student Center at the beginning of each semester. Please direct any questions regarding sign ups to the Hospitality Assistant at the front desk of the student center.
Counseling Support

Counseling assists students in the integration of learning as they inevitably engage important life decisions such as faith, career, marriage, style of life and calling. Intellectual engagement in the classroom often stirs up issues and creates the need to find a conceptual framework for sorting out life application. Counseling seizes the opportunity provided by inner stirring or the shock of one's own or another's personal tragedy and opens an opportunity for healing, growth and ongoing learning.

Seminary counseling is more like a MASH unit than a residential care program. There is triage, treatment and back to the frontlines. Long-term chronic care is not the goal. Currently the Seminary contributes half the cost of a maximum of six appointments. Private practitioners graciously reduce rates and make space for students in need.

Students desiring counseling support will contact the Office of Community Life to book an appointment with one of its representatives. This contact is intended to provide another link in the community—a face-to-face connection.
